Et attendu que dans le but d'obtenir ces renseignements il est nécessaire que nos sujets fassent rapport au sujet de cette propriété et de ces réclamations aux fonctionnaires nommés pour recevoir les dits rapports,—

En conséquence nous commandons et enjoignons strictement à nos sujets dans les limites du Canada y compris toutes les compagnies, maisons et corporations britanniques résidant ou faisant affaires dans les limites du Canada qui ont des titres de propriété d'une nature quelconque en territoire ennemi ou possèdent quelque intérêt en de telles propriétés ou ont des réclamations contre des personnes ennemies ou des gouverne-

ments ennemis, de faire immédiatement rapport de leur dite propriété ou réclamations aux fonctionnaires nommés pour recevoir ces dits rapports ;

Sauf qu'il ne sera pas nécessaire de faire de tels rapports au sujet de la propriété ou des réclamations lorsque des rapports ont été volontairement faits, avant la date de la présente proclamation, au gardien (le Ministre des Finances et Receveur général), selon la formule qu'il a prescrite ; mais si quelqu'un a déjà fait un rapport et qu'il désire modifier ou qu'il désire y faire une addition concernant l'intérêt ou les dividendes impayés qui pourraient être devenus payables depuis la date de son précédent rapport, il devra demander les formules nécessaires à cette fin, et dans chacun de ces cas, il faudra ajouter une note sur la formule à l'effet que le rapport est un rapport additionnel ou modifié, selon le cas.

Ces fonctionnaires désignés pour recevoir ces rapports seront :—

(a) Dans le cas de propriété en territoire ennemi et de réclamations contre des personnes ennemies, le gardien, comme susdit, Ministère des Finances, Ottawa.

(b) Dans le cas de réclamations contre des gouvernements ennemis, les Directeurs du Bureau des Réclamations à l'étranger, Foreign Office, Londres, S.-O.

Les dits rapports seront faits d'après la formule et contiendront les détails que le Gardien et les Directeurs du Bureau des Réclamations à l'étranger pourront exiger respectivement.

2. Pour les fins de la proclamation présentement mentionnée ;—

L'expression "propriété" comprend les documents des titres à la propriété ; l'expression "territoire ennemi," signifie le territoire de tout Etat en guerre avec Sa Majesté (y compris ses colonies et dépendances) ; l'expression "personnes ennemies" comprend toutes personnes, maisons, compagnies et corporations résidant ou faisant affaires en territoire ennemi ; l'expression "gouvernement ennemi" signifie le gouvernement de tout Etat en guerre avec Sa Majesté.

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis de prendre connaissance et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. PRÉSENT :

### SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, sous l'empire des dispositions de la *Loi de 1914 des Mesures de Guerre*, d'établir par les présentes les règlements suivants :—

Nonobstant toute prescription des règlements établis par un arrêté en conseil du 17 septembre 1889, pour

l'arpentage, la vente et l'administration dans la zone de quarante milles des chemins de fer dans la province de la Colombie-Britannique, ou des modifications de ces règlements, aucune demande d'inscription de homestead ne sera accordée au cours de la guerre actuelle ou après la guerre, sauf ordre ordinaire, à moins que la personne qui fait la demande n'ait été au début de la guerre et ne soit restée sujet britannique ou sujet d'un pays qui est allié à Sa Majesté dans la présente guerre, ou sujet d'un pays neutre, et à moins qu'il n'établisse ce fait à la satisfaction du Ministre de l'Intérieur.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 janvier 1917, représentant qu'à M. Frank Ruppert a été cédé, le 15 juin 1910, le quart sud-est de la section 16, township 33, rang 14, à l'ouest du 4e méridien. Le 13 octobre 1913 le requérant obtenait des lettres patentes pour le homestead adjacent, le quart nord-est de la dite section.

Après avoir rempli ses obligations de homestead, M. Ruppert, une année durant, a rempli ses obligations de préemption ; mais le dur labeur qu'il a dû s'imposer l'a affligé d'un grave rhumatisme à la hanche gauche. Il est sous les soins de médecins, et ces derniers affirment qu'il doit faire usage de béquilles, et de plus que son mal augmentera plutôt que de s'améliorer ;

A ces causes, le Ministre recommande que M. Ruppert soit relevé des obligations de résidence qu'impose le paragraphe 2 de l'article 20 de la *Loi des terres fédérales* et que la patente soit émise dès que la preuve sera établie que les autres conditions de la loi ont été remplies et que le paiement prescrit par la loi aura été fait.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant que, le 30 mai 1910, M. William Thornton a obtenu l'inscription du quart sud-ouest de la section 13, township 28, rang 22, à l'ouest du 2e méridien.

Il aurait été établi que M. Thornton a fait 8½ acres de défoncement sur ce quart de section et a accompli 18 mois de résidence sur un terrain avoisinant alors qu'il se vit forcé de retourner dans l'Ontario pour cause de maladie.

Le Ministre soumet un certificat médical du docteur James A. Baker, établissant que M. Thornton souffre d'une attaque de paralysie.

Vu ces circonstances le Ministre recommande qu'en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, M. Thornton soit relevé de ses obligations de résidence pour que patente gratuite du dit quart de section lui soit délivrée sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

Mardi, le 6e jour de février 1917

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant qu'en novembre 1885 M. Joseph Hewitt occupa le quart nord-est de la section 21, township 9, rang 3, à l'ouest du 2e méridien, y érigea une maison et une étable et y fit d'autres améliorations ;

L'inclusion subséquente de ce terrain dans la réserve forestière de Moose Mountain nécessite l'abandon par M. Hewitt de son terrain, —

Le Ministre recommande, par conséquent, qu'on l'autorise, en vertu des dispositions de la *Loi des terres fédérales*, de donner à M. Hewitt la patente gratuite d'un autre quart de section, le quart sud-est de la section 20, township 44, rang 3, à l'ouest du 2e méridien, en retour de l'abandon par M. Hewitt de ses droits sur ce terrain qu'il a ainsi occupé dans la réserve forestière susdite et dès qu'il aura été établi à la satisfaction du Ministre qu'il n'occupe plus le terrain en question.

Le comité agréé cette recommandation et la soumet pour approbation.

Greffier du Conseil privé.

Lundi, le 15<sup>e</sup> jour de janvier 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur du 11 janvier 1917 représentant qu'un arrêté en conseil du 11 mars 1910 a sanctionné des règlements concernant l'aliénation des droits à l'extraction du pétrole et du gaz naturel propriété de la Couronne, en vertu des dispositions de l'article 37 de la Loi des Terres fédérales.

Le Ministre représente :

Au mois de novembre 1913, les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans certaines parties des townships 46, 47, 48 et 49, rangs 10, 11, 12 et 13, à l'ouest du 4<sup>e</sup> méridien, comprenant une superficie d'environ 55,620 acres, ont été soustraits au droit d'aliénation en vertu des dispositions des dits règlements à la demande de la cité d'Edmonton, afin que la dite municipalité puisse s'approvisionner d'une quantité suffisante de gaz naturel pour les besoins de sa population.

Au ministère de l'Intérieur a été représenté qu'il est essentiel à la prospérité commerciale de la ville que les droits à l'extraction du pétrole et du gaz naturel déjà soustraits à l'aliénation ne soient pas concédés à d'autres intéressés et qu'ils ne puissent les détourner ; que la municipalité bien qu'elle ne désire pas exploiter ces droits, devrait avoir le pouvoir nécessaire d'empêcher qu'ils ne soient détournés à d'autres centres de population et d'en assurer la conservation pour l'approvisionnement domestique, ainsi que pour le progrès et le développement de ses nombreuses industries.

Il a de plus été représenté au ministère de l'Intérieur qu'à très grand frais des forages pour le gaz naturel ont été exécutés dans les limites du terrain mis en réserve ; qu'on y a découvert du gaz en quantité suffisantes pour les fins commerciales ; qu'il est projeté d'établir des conduits pour le gaz jusqu'à la ville d'Edmonton, sur une distance d'environ 85 milles, pour le bénéfice des citoyens de cette municipalité.

Comme il semble être de l'intérêt public que les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans les limites de la réserve ci-dessus mentionnée, soient conservés pour l'usage de la ville d'Edmonton, le ministre demande l'autorisation de soustraire à l'aliénation les droits à l'extraction du pétrole et du gaz naturel dans cette région comprenant les parties des townships 46, 47, 48 et 49 des rangs 10, 11, 12 et 13, à l'ouest du 4<sup>e</sup> méridien initial, ainsi que tracé en rose dans le plan ci-annexé, aux conditions suivantes :

1. Que la soustraction à l'aliénation, à la demande de la ville d'Edmonton, des droits d'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans la région ci-dessus mentionnée, ne s'appliquera pas aux terres mises en réserve pour les écoles en vertu des dispositions de la *Loi des terres fédérales*.

2. Que la soustraction de l'aliénation conformément aux règlements régissant la concession des droits à l'extraction du pétrole et du gaz naturel dans la région décrite ne sera pas un obstacle à la concession par la Couronne d'autres droits miniers dans cette région.

3. Que la ville d'Edmonton obtienne immédiatement un bail conformément aux prescriptions des règlements régissant chaque quart de section de la région réservée où un puits a été foré par ou pour la municipalité dans le but d'extraire du pétrole ou du gaz naturel.

4. Que la ville d'Edmonton, avant de commencer des forages ou autres travaux dans le but de découvrir ou d'extraire du pétrole ou du gaz naturel dans les terrains compris dans la réserve susdite, devra demander et obtenir un bail de ces endroits conformément aux prescriptions des règlements à cet effet.

5. Que dès que le Département de l'Intérieur aura reçu du conseil municipal de la ville d'Edmonton l'avis qu'une certaine partie de la réserve n'est plus requise pour les fins municipales, le Ministre de l'Intérieur peut déclarer que les droits ainsi rétrocédés peuvent de nouveau être concédés conformément aux dispositions des règlements et à la pratique du Département.

6. Que la ville d'Edmonton aura un délai de deux ans de la date des présentes pour choisir et obtenir la concession sous l'empire des prescriptions des règlements à l'extraction du pétrole et du gaz naturel dans les limites de la réserve ci-dessus décrite, et qu'à l'expiration de ladite période de deux ans la réserve se terminera et tous les droits à l'extraction du pétrole et du gaz naturel dans les limites de cette réserve, qui n'ont pas déjà été choisis et concédés, rétrocéderont à la Couronne pour concession conformément aux dispositions des règlements à cet effet.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 janvier 1917, représentant que M. Mardi, le 19e jour de décembre 1916.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, d'établir les règlements suivants concernant l'administration des "Prairies hautes"; lesquels règlements devront s'appliquer aux réserves forestières dans les limites de la zone des chemins de fer de la province de la Colombie-Britannique, et ces règlements sont par ces présentes établis en conséquence.

RODOLPHE BOUDREAU,

Greffier du Conseil privé.

RÈGLEMENTS concernant les "Prairies hautes" dans les réserves forestières fédérales, dans la zone des chemins de fer de la Colombie-Britannique.

Les "Prairies hautes" sont des prairies d'accès difficile dans les réserves forestières, d'où il est impossible de voiturier le foin, de sorte que le seul usage qu'on peut en faire est pour le pâturage du bétail sur place.

Un "Fermier de bétail" est une personne ou compagnie qui a pris à bail pour exploitation pendant un terme d'années un ranch ou une ferme et ses accessoires, y compris le bétail, soit à loyer fixe, soit pour une part des profits, avec garantie de remettre au propriétaire à la conclusion du bail une quantité équivalente de bétail ou sa valeur en argent.

1. Il peut être accordé, sujet aux conditions ci-après mentionnées, à toute personne qui est un sujet britannique un permis pour l'exploitation exclusive pour un terme de cinq ans d'une prairie haute ou, s'il s'agit de prairies de peu d'étendue, d'un nombre quelconque de prairies dont l'étendue totale, telle que déterminée par la méthode expliquée à l'article 13 ci-après, n'excède pas cent acres.

2. Toute prairie haute pour laquelle il aura été fait une demande de permis d'exploitation doit être arpentée par bornes et limites par un fonctionnaire de l'administration forestière. Un plan du dit arpentage sera déposé au bureau du surintendant des réserves forestières et tout permis accordé doit se conformer au nombre d'acres indiqué sur le dit plan.

3. (a) Les demandes de permis d'exploitation de prairies hautes et doivent être classées comme suit et considérées dans l'ordre de priorité suivante :

Classe 1. Demandes de la part de propriétaires *bona fide* d'un ranch ou de terrains agricoles, qui désirent adjoindre des prairies hautes à leur ranch ou à leur ferme.

Classe 2. Demandes de la part de personnes qui ne pas sont propriétaires de ranch ou de terrains agricoles auxquels elles désirent adjoindre des prairies hautes pour l'élevage, mais qui demandent des prairies hautes pour exploiter le bétail comme industrie indépendante.

(b) Aucune demande de la classe 2 ne doit être prise en considération avant que ne soient accordées toutes les demandes de la classe 1.

4. S'il est présenté à la fois plus d'une demande de la même classe pour une prairie pour laquelle aucun permis n'est encore accordé, le fonctionnaire de l'administration forestière peut, avec le consentement des requérants, faire un partage de la prairie; si les requérants ne peuvent s'accorder, il mettra la prairie à l'enchère à une mise à prix pour chaque acre telle que fixée à l'article 11, des présents règlements.

5. Le concessionnaire doit faire, à la satisfaction du fonctionnaire préposé à l'administration de la réserve, toutes les améliorations nécessaires pour mettre la prairie en état de fournir un maximum de pâturage.

6. Seul le bétail dont le concessionnaire est de bonne foi le propriétaire ou le fermier, peut être mis en pâturage dans une prairie haute.

7. Un concessionnaire peut utiliser une prairie haute pour l'une des fins suivantes :

1. Y récolter du foin pour l'usage du bétail l'hiver suivant.

2. Y mettre du bétail en pâturage l'été.

3. Mettre une partie en foin et le reste en pâturage.

15514—5

8. Le nombre de bestiaux en pâturage chaque année dans une prairie haute doit être au moins le suivant :—

1. Pour les trois premières années de la durée du permis :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque deux acres de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par chaque deux acres de prairie sous concession.

2. Pour la quatrième et la cinquième année de la durée du permis, ou durant son extension en vertu de l'article 10 des présents règlements :

a. Bêtes à cornes ou chevaux, au moins une tête à hiverner par chaque acre de prairie sous concession.

b. Moutons, au moins cinq têtes à hiverner par acre de prairie sous concession.

9. Tout concessionnaire doit, avant le premier mai chaque année, fournir au fonctionnaire préposé à l'administration de la réserve une déclaration sous serment de l'usage qu'il a fait au cours des douze mois précédents de la prairie haute à lui cédée. La déclaration contenir :

1. Le nombre des bestiaux en pâturage ;

2. Le temps de leur pâturage ;

3. La quantité de foin récolté ;

4. La quantité de foin servi au bétail ;

5. Les améliorations faites.

10. A tout concessionnaire qui s'est conformé aux dispositifs des présents règlements peuvent être accordées trois extensions du dit permis pour des périodes additionnelles de cinq années, pourvu qu'il en fasse la demande au moins six mois avant l'expiration du dit permis ou de son extension ; et la dite demande aura la préférence sur toute autre demande de permis pour les mêmes terrains en vertu des présents règlements.

11. Les prix exigibles pour les concessions de prairies hautes sont les suivants : Permis original—cinq cents l'acre par année. Première extension—dix cents l'acre par année. Deuxième et troisième extensions—quinze cents l'acre par année.

12. Les concessions de prairies hautes ne peuvent être ou transférées ou cédées sans le consentement du ministre et nulle personne ou compagnie a droit à plus d'un permis à la fois.

13. Si le ministre consent au transfert d'une concession, le permis doit être retourné au ministre, qui émettra un nouveau permis au nom du concessionnaire pour le reste de la période comprise dans le permis original et aux mêmes conditions.

14. Lors de l'annulation d'un permis, ou si le concessionnaire ne désire ou ne peut obtenir une extension, un concessionnaire subséquent d'une prairie haute améliorée doit payer les redevances que le premier concessionnaire aurait eu à acquitter s'il eut continué en possession.

15. Le concessionnaire, pendant la durée de son permis, doit maintenir en bon état, à la satisfaction du fonctionnaire de l'administration forestière, toute clôture déjà érigée.

16. Quiconque désire couper du bois sur la dite réserve forestière pour y effectuer des améliorations doit en obtenir l'autorisation sujet aux conditions et aux redevances mentionnées dans les règlements concernant les réserves forestières.

17. Tout commissaire est tenu responsable de tous les feux occasionnés directement ou indirectement par son action personnelle ou celle d'un de ses serviteurs, employés ou agents, sur tout terrain dans les limites d'une réserve forestière pour laquelle le dit commissaire détient un permis ; et tous les dits employés doivent donner gratuitement leurs services en tout temps si un feu se déclare ou menace le terrain ou les améliorations du concessionnaire. Toute négligence de la part du concessionnaire pouvant occasionner un feu est une raison suffisante pour l'annulation de son permis.

18. On peut obtenir un pâturage d'été pour le bétail hiverné dans une prairie haute aux conditions mentionnées dans les règlements concernant les pâturages. Le concessionnaire d'une prairie haute a les mêmes droits que ceux qui font une demande de concession de pâturage sous la classe 1, telle que définie dans l'article 39 des règlements concernant les réserves forestières, établis par un arrêté en conseil du 20 avril 1916. 31-4

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 janvier 1917, représentant que Moses Lessard, de Ashcroft, Colombie-Britannique, a demandé d'acheter aux conditions régissant l'irrigation la moitié nord fractionnaire de la section 34, township 19, rang 24, à l'ouest du 6e méridien, contenant approximativement 250 acres, occupée par le requérant depuis octobre 1913, avant que l'arpentage en fut fait ;

Le Ministre représente de plus qu'un ingénieur du service des levés hydrographiques s'est enquis du cas et a fait rapport que le requérant avait fait nombre d'améliorations sur le terrain et qu'il s'y trouvait suffisamment de terre propre à la culture pour justifier l'irrigation, et que le représentant pourrait effectuer lui-même l'irrigation du terrain ;

Par conséquent, le Ministre recommande qu'il soit permis au requérant, Moses Lessard, d'acheter les parties de la moitié nord de la section 34, township 19, rang 24, à l'ouest du 6e méridien, qu'il peut réellement irriguer et cultiver, aux conditions suivantes :

(a) Les terrains vendus doivent être mis en culture par irrigation.

(b) Le prix d'achat est de \$5.00, sujet à une déduction du prix de revient des travaux d'irrigation jusqu'à un montant n'excédant pas \$2.00 l'acre, et le montant ainsi mis à ce compte sera considéré un paiement en argent fait à la date même de la vente. Le prix d'achat est payable comme suit : Un dollar l'acre (\$1.00) dans la première année de la date de l'autorisation de la vente par le Gouverneur en conseil ; la balance dans les trois ans de la date de cette autorisation ou dès qu'auront été remplis avant l'expiration de ces trois ans toutes les autres conditions de la vente, avec intérêt à 5% par année.

(c) Les droits hydrauliques nécessaires doivent être garantis par le gouvernement provincial de la Colombie-Britannique. Aucuns travaux ne seront exécutés sur le terrain avant que la province n'ait antérieurement garanti les droits hydrauliques.

(d) Les travaux doivent être commencés dans l'année de la date de l'autorisation de la vente par arrêté du conseil, et ils doivent être parachevés à la satisfaction du Ministre de l'Intérieur dans les trois ans de cette date, à moins que les autorités provinciales ne fixent d'autres dates en rapport avec la concession de ces droits hydrauliques ; dans ce cas, les dates fixées par les autorités provinciales peuvent être acceptées si elles sont approuvées par le Ministre de l'Intérieur.

(e) Les ingénieurs du Département de l'Intérieur feront l'examen des travaux dès qu'ils seront parachevés.

(f) La patente sera délivrée dès que les conditions auront été remplies pour les parties des terrains concédés qui auront été mis en culture par irrigation.

(g) La vente sera résiliée pour non-paiement du prix d'achat ou pour négligence de se conformer à une des conditions quelconque de la vente.

(h) Ni transfert ni cession des terrains concédés ou de droits quelconques qui s'y rapportent ne peuvent être faits avant l'émission de la patente sans le consentement du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 décembre 1916, représentant que conformément aux dispositions de la *Loi des terres fédérales*, la Compagnie de la Baie d'Hudson a obtenu, par la notification de la confirmation de l'arpentage du township, le droit de propriété à la section 8, township 5, rang 28, à l'ouest du 4e méridien.

Le Ministre représente que des doutes ayant surgi relativement à l'efficacité de la dite notification pour donner à la dite compagnie, comme c'était l'intention, le droit de propriété à ces parties de la dite section 8 qui sont couvertes par les eaux d'un certain lac arpenté, le commissaire de la Compagnie de la Baie d'Hudson demande qu'il soit cédé à la compagnie par des lettres patentes supplémentaires les terrains compris dans la moitié est de la dite section 8 couverts par les eaux du dit lac et indiqués sur le plan d'arpentage.

Le ministre est d'avis que la demande soit accordée et, en conséquence, il recommande l'émission de lettres patentes à la compagnie de la Baie d'Hudson cédant tous ces terrains compris dans la moitié est de la section 8, township 5, rang 28, à l'ouest du 4e méridien sous les eaux d'un certain lac arpenté, tel qu'indiqué sur un plan d'arpentage du dit township approuvé et sanctionné à Ottawa le 1er mars A. D. 1888, par Edouard Deville, Arpenteur général des terres fédérales et déposé au département de l'Intérieur, lequel terrain contient 27 acres plus ou moins.

Le comité agréé cette recommandation et la soumet pour approbation.

#### COMMISSION DU SERVICE CIVIL DU CANADA.

EXAMEN D'ENTRÉE AU COLLÈGE NAVAL ROYAL  
DU CANADA.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 16 mai 1917, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédérickton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne

s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus au même temps que l'examen d'entrée au collège naval royal. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 16 avril 1917. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00
- (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00
- (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00
- (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00
- (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00
- (i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. 4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

*Avis de bills privés.*

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et; lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

3. Toute personne autorisée en vertu du règlement qui précède à pénétrer dans tous bureaux, exploitation ou propriété, ou parties d'iceux, et à en prendre possession, peut et doit le faire ainsi qu'elle en est autorisée par ce décret ou un mandat quelconque qui en émane, mais pas autrement.

4. Le ministre compétent peut, en tout temps qu'il le juge opportun, ordonner à quiconque il juge à propos et l'autoriser, au lieu ou en plus de la prise de possession de tels bureaux ou d'une partie quelconque de tels bureaux, telle exploitation ou propriété, à prendre la direction complète ou partielle de la transmission des dépêches par les câbles, les appareils ou les fils des compagnies ci-dessus mentionnées.

5. Toute personne autorisée en vertu du règlement précédent à prendre la direction de la transmission des dépêches par les câbles, les appareils ou les fils d'une compagnie quelconque, peut pénétrer sur les lieux et prendre ainsi la direction comme il en est autorisé par les présents règlements et les ordres qui lui sont donnés sous leur empire, mais pas autrement.

6. Le ministre compétent peut ordonner à toute compagnie de câble sous-marin, de radiotélégraphie, de télégraphe ou de téléphone de lui soumettre à lui-même ou à quiconque il a autorisé à cette fin ou de remettre à lui-même ou à son agent tous câblogrammes, télégrammes et dépêches transmises par telle compagnie ou lui parvenant par ses câbles, fils ou appareils de radiotélégraphie, ou toute catégorie de ces télégrammes, câblogrammes ou dépêches; et le ministre peut ordonner à toute telle compagnie de ne transmettre que par certains bureaux qu'il désignera les dépêches transmises au dehors du Canada (y compris les messages oraux que transmet ou reçoit une compagnie de téléphone quelconque).

## DÉCRET II.

### *(Suppression de matière censurable).*

1. Partout dans le présent décret où est employée l'expression "matière censurable" elle est censée signifier et comprendre:

(a) Tout renseignement au sujet du mouvement, du nombre, de la description, de la condition ou de la disposition des troupes, des navires ou des appareils aériens de Sa Majesté ou de quelqu'un des alliés de Sa Majesté, ou concernant les plans ou la direction, réelle ou supposée, des opérations navales ou militaires de ces troupes, navires ou appareils aériens, ou concernant l'approvisionnement, la description, la condition, le transport, la fabrication ou l'emmagasinage de munitions de guerre, ou concernant les travaux entrepris ou les mesures prises pour la fortification d'une place quelconque, ou tout renseignement de nature à être directement ou indirectement utile à l'ennemi, et

(b) toute photographie, tout tracé, plan, modèle ou toute autre représentation de travaux maritimes ou militaires, d'un dock ou d'un port, si ces représentations sont de nature à être directement ou indirectement utiles à l'ennemi, et

(c) tout faux rapport ou fausse déclaration concernant les causes ou les opérations de la guerre actuelle, et

(d) tout rapport ou toute déclaration de nature à mécontenter Sa Majesté ou à nuire au succès des troupes de Sa Majesté ou des troupes des alliés de Sa Majesté sur terre ou sur mer, ou au préjudice des relations de Sa Majesté avec les pouvoirs étrangers, et

(e) tout rapport ou toute déclaration de nature à nuire au recrutement, à l'entraînement, à la discipline ou à l'administration des forces de Sa Majesté, ou à la mise en vigueur ou l'application d'une loi ou d'un décret du Conseil concernant le Service National;

(f) tout rapport ou toute description ou prétendu rapport ou description des délibérations d'une séance secrète du Sénat ou de la Chambre des Communes du Canada tenue conformément à une résolution adoptée par ledit Sénat ou ladite Chambre des

Communes, sauf tel rapport qui peut être officiellement communiqué par l'entremise du Secrétaire d'Etat du Canada, et

(g) tout rapport ou toute description ou prétendu rapport ou description des délibérations d'une séance du Cabinet du Canada, et

(h) La teneur d'un document confidentiel appartenant au gouvernement ou de renseignements confidentiels obtenus d'un département quelconque de l'administration ou d'une personne au service de Sa Majesté.

2. (v) A moins d'excuse ou d'autorisation légale, dont la preuve lui incombe, personne n'écrira, imprimera, publiera, adressera, livrera, recevra ou aura en sa possession ou sur les lieux qu'il occupe ou administre, des lettres ou autres écrits, ou des journaux, brochures, pamphlets, publications périodiques, livres, circulaires ou autres imprimés, ou photographies, tracés, plans, modèles ou autres représentations contenant matière censurable.

(2) Personne ne donnera de représentation sur une scène quelconque ou n'exhibera de reproductions ou de vues cinématographiques, ou fera quoi que ce soit qui est de nature à :

(a) Mécontenter Sa Majesté ou à nuire au succès des forces de Sa Majesté ou des forces de quelqu'un des alliés de Sa Majesté par terre ou par mer, ou à porter préjudice aux relations de Sa Majesté avec les pouvoirs étrangers; ou

(b) Nuire au recrutement, à l'entraînement, à la discipline ou à l'administration des forces de Sa Majesté, ou à la mise en vigueur ou l'application d'une loi ou d'un décret du Conseil concernant le Service National.

(3) Tout tel écrit ou imprimé, ou sa publication, son expédition, sa livraison, réception, ou possession, ou telle production, exhibition ou représentation sera considéré une infraction des présents décrets.

3. Le ministre des Postes ou quiconque il autorise peut examiner tout journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé, ou tout écrit, photographie, tracé, plan, ou autre représentation transmis par le service des postes du Canada, afin d'empêcher la publication, la circulation ou la distribution de matière censurable.

4. Le ministre des Postes peut nommer un censeur en chef du Service postal canadien; ce fonctionnaire, sous la direction du ministre, sera chargé de l'application des prescriptions des règlements du présent décret qui s'appliquent au service des postes.

5. Le Secrétaire d'Etat du Canada, dès qu'il a constaté qu'un journal, un pamphlet, une publication périodique, un livre, une circulaire ou autre imprimé contient ou a publié de la matière censurable, peut par mandat sous son seing défendre à qui que ce soit en Canada d'avoir en sa possession un exemplaire ou une copie de tel journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé. Ce mandat peut limiter cette défense à la possession d'un seul ou de plusieurs numéros, exemplaires ou éditions de tel journal, pamphlet, publication périodique, livre, circulaire ou autre imprimé; et le dit Secrétaire d'Etat peut décider que les circonstances l'autorisent à appliquer cette prohibition à la possession de numéros, exemplaires ou éditions futurs ou passés de ces publications.

(2) Dès la publication par le Secrétaire d'Etat du Canada dans la *Gazette du Canada* d'un avis de l'émission de ce mandat et de ses prescriptions conformément à cet avis, tout numéro, exemplaire ou copie de tel journal, pamphlet, publication périodique, livre, circulaire, ou autre imprimé ainsi prohibé devra pour toutes fins et pour tous les tribunaux et autres autorités être une preuve conclusive qu'il contient matière à censure.

6. Le Secrétaire d'Etat du Canada, s'il le juge opportun, peut nommer un censeur des écrits, copies, imprimés ou publications d'une imprimerie quelconque ou d'un établissement de publication, et toute personne ainsi nommée a droit de pénétrer sur les lieux et de les visiter de temps à autre avec un assistant ou des assistants et d'y séjourner aussi longtemps qu'il est raisonnablement nécessaire et d'examiner, considérer, approuver ou rejeter tout écrit, copie ou imprimé, ou tout ce qui doit être imprimé ou publié sur ces lieux. Dès que tel censeur aura été nommé et que le propriétaire, le gérant ou celui qui a charge de l'établissement aura été avisé de cette nomination, aucun écrit, copie ou autre matière n'y sera imprimé ou publié sans l'approbation du censeur, et l'impression ou la publication sans l'approbation susdite sera censée une infraction du présent décret.

7. Dans toute poursuite pour contravention au présent décret intentée sur l'ordre du Solliciteur général du Canada, il sera présumé, à défaut de preuve au contraire, que les faits allégués dans la dénonciation ou l'acte d'accusation sont vrais.

8. Sur l'ordre du Secrétaire d'Etat du Canada tous les exemplaires d'un livre quelconque, journal, publication périodique, brochure ou imprimé publiés ou mis en circulation contrairement aux prescriptions du présent décret, en la possession de qui que ce soit, peuvent être confisqués et détruits par un officier de la paix, et les presses à imprimer, l'outillage et les machines de l'établissement peuvent être confisqués et l'établissement fermé indéfiniment ou pour telle période que fixera le Secrétaire d'Etat.

DÉCRET III.

*(Poursuites et interprétation.)*

1. (1) Toute personne qui viole une disposition quelconque des présents décrets, ou néglige de l'observer ou de s'y conformer, ou, qui étant directeur ou fonctionnaire d'une compagnie constituée en corporation qui viole une disposition quelconque des présents décrets, ou néglige de l'observer ou de s'y conformer, au sujet du consentement de tel directeur ou fonctionnaire, est coupable du délit d'infraction des présents règlements.

(2) Dans toute poursuite intentée contre tel directeur ou fonctionnaire, c'est à lui qu'il incombe de prouver qu'il n'avait aucune connaissance de l'infraction, qu'il n'y a pas consenti ni a négligé de s'y conformer.

2. Quand de la matière censurable a été imprimée, publiée, exhibée ou représentée dans un établissement quelconque, le propriétaire ou la personne dirigeant ledit établissement ou ses opérations est coupable du délit d'infraction des présents décrets; et si le contrevenant est une compagnie constituée en corporation, chaque directeur ou fonctionnaire qui ne peut établir que la contravention a été commise hors sa connaissance ou malgré sa protestation est coupable, individuellement et conjointement avec la compagnie, d'infraction des présents décrets.

3. (1) Toute personne coupable d'infraction des présents décrets est passible d'une amende n'excédant pas \$5,000, ou d'emprisonnement pour une période n'excédant pas cinq ans, ou d'amende ou d'emprisonnement.

(2) Cette amende peut être recouvrée et cette peine imposée par procédure et conviction sommaires sous l'empire de la Partie XV du Code criminel.

4. Dans toute poursuite contre une personne quelconque pour infraction des présents décrets ladite infraction sera censée avoir été commise soit à l'endroit même où elle l'a réellement été, soit à tout autre endroit où peut se trouver le contrevenant.

5. Les pouvoirs conférés par les présents décrets sont ajoutés et ne dérogent pas aux pouvoirs qu'exercent les membres des forces navales et militaires de Sa Majesté et autres personnes en ce qui concerne les mesures nécessaires à prendre pour assurer la sûreté publique ou la défense du Canada, et rien dans les présents décrets ne peut exempter qui que ce soit de poursuites ou de peines pour un délit ou crime quelconque en rapport avec la guerre sauf conformément aux prescriptions desdits décrets.

6. La loi d'interprétation, chapitre 1 des Statuts révisés du Canada, 1906, s'applique à l'interprétation des présents décrets, sauf lorsqu'elle est incompatible, de la même manière qu'elle s'applique à l'interprétation d'une loi du Parlement.

DÉCRET IV.

*(Révocation des décrets codifiés.)*

Les décrets du conseil désignés à l'annexe "B" des présents décrets sont par ces présentes révoqués quant aux parties indiquées dans ledit annexe. Néanmoins, la révocation d'un de ces décrets du conseil n'affecte en rien:—

- (a) l'opération passée d'un décret ainsi révoqué, ou

- (c) toute amende, confiscation ou peine encourue pour une infraction d'un décret ainsi révoqué, ou

34-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[166]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 20th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS a request has been received from the Department of Indian Affairs for the setting apart for the Indians, under the terms of Treaty No. 8, of a tract of land in township 94, Range 11, west of the 4th Meridian, in the Province of Alberta, known as the Fort McKay Indian Reserve No. 174, comprising an area of two hundred and fifty-seven acres ;

And whereas the lands applied for, which are herein-after particularly described, are available according to the records of the Department of the Interior, for the purpose aforesaid, and the Minister of the Interior recommends that they be so set apart ;

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of section 76 of The Dominion Lands Act, is pleased to order and it is hereby ordered that the said lands be withdrawn from the operation of The Dominion Lands Act and set apart for the Indians.

The said lands may be more particularly described as follows :—

Composed of all that portion of the east half of section 13 and all that portion of the southeast quarter of section 24 in the 94th Township, in the 11th Range, west of the 4th Meridian, which lie to the east of the right bank of the Athabaska River, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa on the 18th day of August, A.D. 1916, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior.

RODOLPHE BOUDREAU,

32-4 Clerk of the Privy Council

[3235]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 30th day of December, 1916

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th December, 1916, from the Minister of the Interior, submitting that, in pursuance of the provisions of The Dominion Lands Act, title to section 8, Township 5, Range 28, west of the 4th Meridian, was vested in the Hudson's Bay Company by notification of the confirmation of the survey of the township.

The Minister states that—as there is some doubt whether such notification was effective in passing the title to the said Company, as was intended, of those portions of the said section 8 as are covered by the waters of a certain surveyed lake,—the Commissioner of the Hudson's Bay Company has applied for the issue of a supplementary grant to the Company, by letters patent of the lands in the east half of said section 8 shown on the plan of survey as covered by the waters of the surveyed lake.

The Minister is of the opinion that the request should be complied with, and he therefore recommends that the issue of letters patent be authorized to the Hudson's Bay Company of all those portions of the east half of Section 8, Township 5, Range 28, west of the 4th Meridian as are covered by the waters of a certain surveyed lake, as shown upon a plan of survey of the said township, approved and confirmed at Ottawa on the 1st day of March, A.D. 1888, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement twenty-seven acres more or less.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

32-4 Clerk of the Privy Council

[107]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 12th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th January, 1917, from the Minister of the Interior, submitting that it is provided inter alia by section 22 of the regulations for the survey, administration, disposal and management of Dominion lands within the forty mile belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for letters patent for his homestead, the east half of the northwest quarter of Section 2, Township 4, Range 5, west 7th Meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the Naturalization Act, or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with The Naturalization Act, and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway belt of British Columbia on active service for Great Britain or her Allies, who by reason of such service and the difficulty of technically complying with the provisions of the Naturalization Act are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

35-4 Clerk of the Privy Council

[408]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 13th day of February, 1917.

No person shall allow any other person to have possession of any such pass, permit certificate, licence or passport, issued for his use alone, or without lawful authority have in his possession any such pass, permit, licence, certificate, or passport issued for the use of some person other than himself, or on obtaining possession of any such pass, permit, certificate, licence or passport, by finding, or otherwise, neglect or fail, to restore it the person or authority by whom or for whose use it was issued or to a police constable.

No person shall be in possession of a false passport or being a subject of a Sovereign or State at war with His Majesty, shall under an assumed name.

It shall be the duty of every person affected by any order issued by the Competent Naval or Military Authority or other person in pursuance of these regulations to comply with that order.

Where under these regulations any act is done without lawful authority, or without lawful authority or excuse, is an offence against these regulations, the burden of proving that the act was done with lawful authority or with lawful authority or excuse shall rest on the person accused.

Every document purporting to be an order or other instrument issued by a competent naval or military authority and to be signed by such an authority shall be received in evidence and be deemed to be such an order or instrument without further proof unless the contrary is shown.

The powers conferred by these regulations are in addition to and not in derogation of any powers exercisable by members of His Majesty's naval and military forces and other persons to take such steps as may be necessary for securing the public safety and the defence of the empire, and nothing in these regulations shall affect the liability of any person to trial and punishment for any offence or war crime otherwise than in accordance with these regulations.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th January, 1917, from the Minister of the Interior, submitting that Mr. Jos. Hewitt went into occupation of the northeast quarter of section 21, township 9, range 3, west of the 2nd meridian, in November, 1885, and erected thereon a house, stable and other improvements.

As this quarter section has since been included in the Moose Mountain Forest Reserve, it is necessary to secure Mr. Hewitt's withdrawal from the land.

The Minister therefore recommends that authority be given under the provisions of the Dominion Lands Act, for the issue of a free patent to Mr. Hewitt for another quarter section, namely the southeast quarter

of section 20, township 44, range 3, west of the 2nd meridian, upon his executing a surrender of his interest in the land of which he has been in occupation in the Forest Reserve and upon satisfactory evidence being furnished that he has vacated the land in question.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1917, from the Minister of the Interior, submitting that Mr. Frank Ruppert obtained the southeast quarter of Section 16, Township 33, Range 14, west of the 4th Meridian, under pre-emption entry on the 15th June, 1910; his appurtenant homestead being the northeast quarter of the same section, for which he obtained patent on the 13th October, 1913.

Since completing his homestead duties, Mr. Ruppert carried on the settlement duties in connection with his pre-emption for one year when, owing to hardships attendant upon his undertaking, rheumatism of a severe form developed in his left hip. He has been undergoing medical treatment and, according to testimony submitted by his medical advisers, it is necessary for him to make use of crutches to go about, and it is represented, moreover, that the nature of Mr. Ruppert's ailment is likely to grow worse instead of better.

Under the circumstances, the Minister recommends that residence duties be dispensed with under subsection 2, of section 20, of The Dominion Lands Act of 1908, and that patent issue upon proof being furnished that the other conditions of the law have been fulfilled, and upon payment being made for the land at the statutory price.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1917, from the Minister of the Interior, stating that application has been made by Mr. Louis Felix Cardinal of Fort Vermilion, in the Province of Alberta, for a free grant of the fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, West of the Fifth Meridian, lying south of Peace River, of the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

The Minister observes that evidence has been submitted showing the applicant to have been in actual occupation of the land at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of Section 76 of The Dominion Lands Act, a free grant of 160 acres of the said fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, west of the Fifth Meridian, lying south of Peace River, in the Province of Alberta, be authorized to Mr. Cardinal, and that he be permitted to purchase the excess area of 3.70 acres at the rate of \$3 an acre.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

The Committee of the Privy Council has had before them a report, dated 27th January, 1917, from the Minister of the Interior, stating that William Thorburn was permitted to obtain entry for the south-west quarter of Section 13, Township 28, Range 22, west of the 2nd Meridian, on the 30th May, 1910.

It would appear from evidence furnished that Mr. Thorburn has broken 8½ acres on this quarter-section, and that he performed about eighteen months residence on land in the vicinity before having to return to Ontario on account of illness.

The Minister submits the annexed copy of a Medical Certificate from James A. Baker, M.B., stating that Mr. Thorburn is suffering from a form of paralysis.

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in this case under the authority of sub-section 2, of section 20, of the Act, so that free patent may be issued to Mr. Thorburn for the quarter-section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

#### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1916.*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 janvier 1917, représentant qu'à M. Frank Ruppert a été cédé, le 15 juin 1910, le quart sud-est de la section 16, township 33, rang 14, à l'ouest du 4e méridien. Le 13 octobre 1913 le requérant obtenait des lettres patentes pour le homestead adjacent, le quart nord-est de la dite section.

Après avoir rempli ses obligations de homestead, M. Ruppert, une année durant, a rempli ses obligations de préemption; mais le dur labeur qu'il a dû s'imposer l'a affligé d'un grave rhumatisme à la hanche gauche. Il est sous les soins de médecins, et ces derniers affirment qu'il doit faire usage de béquilles, et de plus que son mal augmentera plutôt que de s'améliorer;

A ces causes, le Ministre recommande que M. Ruppert soit relevé des obligations de résidence qu'impose le paragraphe 2 de l'article 20 de la *Loi des terres fédérales* et que la patente soit émise dès que la preuve sera établie que les autres conditions de la loi ont été remplies et que le paiement prescrit par la loi aura été fait.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant que, le 30 mai 1910, M. William Thornton a obtenu l'inscription du quart sud-ouest de la section 13, township 28, rang 22, à l'ouest du 2e méridien.

Il aurait été établi que M. Thornton a fait 8½ acres de défoncement sur ce quart de section et a accompli 18 mois de résidence sur un terrain avoisinant alors qu'il se vit forcé de retourner dans l'Ontario pour cause de maladie.

Le Ministre soumet un certificat médical du docteur James A. Baker, établissant que M. Thornton souffre d'une attaque de paralysie.

Vu ces circonstances le Ministre recommande qu'en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, M. Thornton soit relevé de ses obligations de résidence pour que patente gratuite du dit quart de section lui soit délivrée sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur du 11 janvier 1917 représentant qu'un arrêté en conseil du 11 mars 1910 a sanctionné des règlements concernant l'aliénation des droits à l'extraction du pétrole et du gaz naturel propriété de la Couronne, en vertu des dispositions de l'article 37 de la Loi des Terres fédérales.

Le Ministre représente :

Au mois de novembre 1913, les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans certaines parties des townships 46, 47, 48 et 49, rangs 10, 11, 12 et 13, à l'ouest du 4e méridien, comprenant une superficie d'environ 55,620 acres, ont été soustraits au droit d'aliénation en vertu des dispositions des dits règlements à la demande de la cité d'Edmonton, afin que la dite municipalité puisse s'approvisionner d'une quantité suffisante de gaz naturel pour les besoins de sa population.

Au ministère de l'Intérieur a été représenté qu'il est essentiel à la prospérité commerciale de la ville que les droits à l'extraction du pétrole et du gaz naturel déjà soustraits à l'aliénation ne soient pas concédés à d'autres intéressés et qu'ils ne puissent les détourner ; que la municipalité bien qu'elle ne désire pas exploiter ces droits, devrait avoir le pouvoir nécessaire d'empêcher qu'ils ne soient détournés à d'autres centres de population et d'en assurer la conservation pour l'approvisionnement domestique, ainsi que pour le progrès et le développement de ses nombreuses industries.

Il a de plus été représenté au ministère de l'Intérieur qu'à très grand frais des forages pour le gaz naturel ont été exécutés dans les limites du terrain mis en réserve ; qu'on y a découvert du gaz en quantité suffisantes pour les fins commerciales ; qu'il est projeté d'établir des conduits pour le gaz jusqu'à la ville d'Edmonton, sur une distance d'environ 85 milles, pour le bénéfice des citoyens de cette municipalité.

Comme il semble être de l'intérêt public que les droits à l'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans les limites de la réserve ci-dessus mentionnée, soient conservés pour l'usage de la ville d'Edmonton, le ministre demande l'autorisation de soustraire à l'aliénation les droits à l'extraction du pétrole et du gaz naturel dans cette région comprenant les parties des townships 46, 47, 48 et 49 des rangs 10, 11, 12 et 13, à l'ouest du 4e méridien initial, ainsi que tracé en rose dans le plan ci-annexé, aux conditions suivantes :

1. Que la soustraction à l'aliénation, à la demande de la ville d'Edmonton, des droits d'extraction du pétrole et du gaz naturel, propriété de la Couronne, dans la région ci-dessus mentionnée, ne s'appliquera pas aux terres mises en réserve pour les écoles en vertu des dispositions de la *Loi des terres fédérales*.

2. Que la soustraction de l'aliénation conformément aux règlements régissant la concession des droits à l'extraction du pétrole et du gaz naturel dans la région décrite ne sera pas un obstacle à la concession par la Couronne d'autres droits miniers dans cette région.

3. Que la ville d'Edmonton obtienne immédiatement un bail conformément aux prescriptions des règlements régissant chaque quart de section de la région réservée où un puits a été foré par ou pour la municipalité dans le but d'extraire du pétrole ou du gaz naturel.

4. Que la ville d'Edmonton, avant de commencer des forages ou autres travaux dans le but de découvrir ou d'extraire du pétrole ou du gaz naturel dans les terrains compris dans la réserve susdite, devra demander et obtenir un bail de ces endroits conformément aux prescriptions des règlements à cet effet.

5. Que dès que le Département de l'Intérieur aura reçu du conseil municipal de la ville d'Edmonton l'avis qu'une certaine partie de la réserve n'est plus requise pour les fins municipales, le Ministre de l'Intérieur peut déclarer que les droits ainsi rétrocédés peuvent de nouveau être concédés conformément aux dispositions des règlements et à la pratique du Département.

6. Que la ville d'Edmonton aura un délai de deux ans de la date des présentes pour choisir et obtenir la concession sous l'empire des prescriptions des règlements à l'extraction du pétrole et du gaz naturel dans les limites de la réserve ci-dessus décrite, et qu'à l'expiration de ladite période de deux ans la réserve se terminera et tous les droits à l'extraction du pétrole et du gaz naturel dans les limites de cette réserve, qui n'ont pas déjà été choisis et concédés, rétrocéderont à la Couronne pour concession conformément aux dispositions des règlements à cet effet.

Le comité agréé cette recommandation et la soumet pour approbation.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 janvier 1917, représentant qu'à l'article 22 des règlements régissant l'arpentage, l'administration, la vente et la gérance des terres fédérales dans les limites de la zone de 40 milles de la province de la Colombie-Anglaise, ainsi qu'établis par arrêté en conseil du 17 septembre 1889, il est prescrit, entre autre choses, qu'une patente de homestead ne peut être émise en faveur d'une personne qui n'est pas alors sujet britannique né ou naturalisé.

Emile André Marc, réserviste français, servant actuellement avec les "Second Life Guards," corps expéditionnaire britannique en France, a demandé des lettres patentes pour son homestead, la moitié est du quart nord-ouest de la section 2, township 4, rang 5, à l'ouest du 7e méridien, et, d'après les faits établis, y a accompli ses obligations d'établissement. M. Marc est né en France et n'a pas encore été naturalisé. Il quitta la Colombie-Britannique pour prendre du service actif en août 1914. Sa femme et son enfant résident au Canada. En décembre 1914 il demanda l'émission de sa patente. Certains retards se produisirent dans l'envoi du front de sa demande de patente, et le fait qu'il n'est pas naturalisé retarde encore l'émission de cette patente. Se conformer aux prescriptions de la *Loi de naturalisation* serait risquer de nouveaux retards, ou rendre impossible la naturalisation de M. Marc tant qu'il sera en service actif.

Le Ministre croit que tout nouveau retard dans le règlement de cette affaire serait regrettable et est d'avis que la preuve de la sincérité d'intention de ce homesteader à devenir sujet britannique est établie par le fait qu'il a ainsi pris du service actif dans la guerre actuelle, et que les conditions de naturalisation au dit article 22 des règlements sont suffisamment remplies.

Le ministre représente que le département a actuellement en considération un autre cas d'émission de patente à un homesteader enrôlé dans le service, que le règlement de ce cas est retardé à cause de la nécessité de se conformer à la *Loi de naturalisation*, et que d'autres cas surgiront sans doute de temps à autre.

Par conséquent, le Ministre recommande que dans le cas de homesteaders de la zone des chemins de fer de la Colombie Britannique, en service actif pour la Grande Bretagne ou pour ses alliés et qui, en raison de

ce service et de la difficulté de se conformer techniquement aux prescriptions de la *Loi de naturalisation*, ne peuvent obtenir leur patente ou que l'émission en est retardée après que sont accomplies les obligations d'établissement, il soit autorisé à se soustraire aux prescriptions du dit article 22 quant à la naturalisation avant l'émission de la patente.

Le comité agréa cette recommandation et la soumet pour approbation.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 13e jour de février 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur Général en conseil, en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir les ordonnances et règlements suivants, et ils sont par ces présentes établis et décrétés en conséquence, savoir :

Quand les autorités compétentes navales ou militaires, ou toute autre personne dûment autorisée, ou un fonctionnaire du service d'immigration ont raison de soupçonner qu'une personne quelconque qui est sur le point de s'embarquer sur un navire, vaisseau ou appareil de navigation aérienne, ou de voyager par terre, a l'intention de quitter le Canada dans le but de communiquer directement ou indirectement avec l'ennemi ou avec un sujet quelconque d'un souverain ou d'un état qui est en guerre avec Sa Majesté, ils peuvent empêcher l'embarquement ou le départ de telle personne.

Quiconque a ainsi été empêché de s'embarquer ou de partir a le droit d'en appeler au ministre de l'Intérieur, et au cas d'appel le fonctionnaire concerné doit adresser au Ministre l'appel ainsi que son rapport. Si l'appel est accordé, l'appelant en est immédiatement avisé ; sinon, la décision du fonctionnaire est maintenue.

Toute personne qui débarque à un endroit quelconque au Canada ou y arrive, ou qui s'y embarque ou le quitte, ou qui se trouve dans un port ou dans les eaux territoriales du Canada, doit sur demande des autorités navales ou militaires ou de toute personne autorisée, ou de tout fonctionnaire du service d'immigration ou des douanes, ou de tout agent de police, faire une déclaration quant au fait qu'elle porte ou ne porte pas de lettres ou autres messages écrits qui doivent être transmis par la poste ou autrement délivrés. Sur demande elle remettra ces lettres ou messages, et les autorités navales ou militaires ou la personne autorisée, ou le fonctionnaire du service de l'immigration ou des douanes, ou l'agent de police peuvent fouiller toute personne et tout bagage afin de constater si cette personne ou celle à laquelle le bagage appartient porte de telles lettres ou de tels messages. Les autorités navales ou militaires compétentes ou les personnes qu'elles autorisent, ou le fonctionnaire du service d'immigration ou des douanes, ou l'agent de police peuvent examiner toutes lettres ou tous autres messages qui leur sont remis ou qu'ils découvrent, et peuvent les transmettre au fonctionnaire préposé à la censure de la correspondance postale.

Personne n'expédiera hors du Canada, soit par la poste ou autrement, de lettre, document ou substance contenant de l'écriture qui n'est pas visible ou lisible sans que la substance dans laquelle se trouve cette écriture ne soit soumise à l'épreuve de la chaleur ou autre traitement, ni n'expédiera de lettres, document ou substance qui sert de manière quelconque aux communications secrètes.

Personne n'entravera, décevra sciemment, ou contraindra autrement un fonctionnaire ou autre personne qui exécute les ordres des autorités compétentes navales ou militaires, ou qui agit conformément aux devoirs que lui imposent les présents règlements, ni ne refusera de communiquer à un fonctionnaire ou autre personne des renseignements qu'il possède et qu'on peut raisonnablement exiger.

Personne, verbalement ou par écrit, dans un rapport, un compte rendu, une déclaration ou une demande, ou dans un document quelconque signé de sa main ou en son nom et dont il doit constater l'exactitude, ne fera ni ne contribuera à faire une fausse déclaration ou une omission qui pourrait induire en erreur les autorités compétentes navales ou militaires, ou toute autre personne exécutant les ordres d'un fonctionnaire dans l'exécution de ses devoirs.

Personne ne fabriquera, altérera ou contrefera un laissez-passer, un permis, un certificat, une licence ou autre document naval, militaire ou officiel, ou un passeport quelconque, ni ne se servira ou aura en sa possession de tels laissez-passer, permis, certificats, licences, documents ou passeports fabriqués, altérés ou contrefaits.

Aucune personne ne se substituera à une autre, ou se représentera comme étant ou n'étant pas une personne à qui ce laissez-passer, permis ou certificat, cette licence ou cet autre document ou passeport a été dûment délivré, ou fera sciemment de fausses déclarations dans l'intention d'obtenir pour elle-même ou une autre personne tel laissez-passer, permis ou certificat, ou telle licence ou tel document ou passeport.

Personne ne détruira, ne fera disparaître ou ne perdra par négligence volontaire un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel autre document ou passeport, ni ne le retiendra quand il n'en a pas le droit ou que c'est contraire à son devoir, ni négligera de se conformer aux instructions qui lui sont données par les autorités compétentes au sujet de leur remise.

Nul ne permettra à une personne quelconque de retenir en sa possession un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel passeport qui a été émis pour son seul usage, ni n'aura en sa possession sans autorisation légale un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel passeport émis pour une autre personne que lui-même ; et nul qui aura obtenu possession d'un tel laissez-passer, permis ou certificat, ou d'une telle licence, ou d'un tel passeport, qu'il l'ait trouvé ou se le soit autrement procuré, ne négligera ou manquera de le remettre à la personne ou à l'autorité pour ou par laquelle il a été émis, ou à un agent de police.

Nul n'aura en sa possession un faux passeport, et personne qui est sujet d'un souverain ou d'un état qui est en guerre avec Sa Majesté ne passera sous un nom d'emprunt.

Il est du devoir de quiconque est affecté par un ordre émis par les autorités compétentes navales ou militaires, ou par une autre personne sous l'empire des présents règlements, de se conformer à cet ordre.

Quand sous l'empire des présents règlements un acte accompli sans autorisation légale, ou sans autorisation ou excuse légale, est une infraction des présents règlements, c'est à l'accusé qu'il incombe de prouver que cet acte a été accompli avec autorisation légale, ou avec autorisation ou excuse légale.

Tout document paraissant être un ordre ou autre instrument émis par les autorités compétentes navales ou militaires et être signé par ces autorités sera accepté comme preuve et supposé être tel ordre ou instrument sans autre preuve à moins que le contraire ne soit démontré.

Les pouvoirs conférés par les présents règlements sont ajoutés et ne dérogent pas aux pouvoirs que peuvent exercer les membres des forces navales et militaires de Sa Majesté, ainsi que d'autres personnes, afin de prendre les mesures nécessaires pour la sûreté publique et la défense de l'Empire ; et rien dans les présents règlements n'exemptera qui que ce soit de poursuites ou de peines pour un délit ou crime quelconque en rapport avec la guerre autrement qu'en conformité des présents règlements.

Les autorités compétentes navales ou militaires, ou quiconque promulgue un ordre sous l'empire des présents règlements, en publiera un avis en la manière jugée la meilleure pour renseigner ceux que cet ordre affecte ; et nul ne doit sans autorisation légale détruire ou mutiler un tel avis affiché conformément aux présents règlements, ou tel autre avis, annonce ou placard quelconque qui a rapport aux troupes de Sa Majesté ou au service militaire ou naval, quand l'affichage a été dûment autorisé.

Quiconque affirme être autorisé à l'inspection sous l'empire et pour les fins des présents règlements doit présenter son permis en tout temps que l'exigent les autorités compétentes navales ou militaires ou autre personne autorisée par elles, ou tout officier de la marine ou de l'armée, ou tout matelot ou soldat en vigie ou en faction ou autre service semblable, ou tout fonctionnaire des douanes ou de l'accise, ou tout agent de police ou fonctionnaire du service d'immigration. Tout permis ou toute autorisation, sous l'empire des présents règlements ou pour la mise en vigueur de leurs prescriptions, peut en tout temps être révoqué.

Quiconque enfreint une des prescriptions des ordonnances et règlements ci-dessus est passible d'une amende n'excédant pas cinq mille dollars ou d'emprisonnement pour une période n'excédant pas cinq ans ou des deux peines, amende et emprisonnement. L'amende peut être recouvrée ou la peine imposée par procédure et conviction sommaires sous l'empire des dispositions de la Partie XV du Code criminel.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00
- (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00
- (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00
- (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00
- (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00
- (i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

## Avis de bills privés.

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "Avis de bill privé"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

**T**he Committee of the Privy Council have had before them a report, dated 15th February, 1917, from the Minister of the Interior, stating that Mr. Samuel McCall was granted homestead and pre-emption entries for the East half of Section 21, Township 31, Range 1, west of the 3rd Meridian, on the 1st May, 1915 ;

The Minister further states that information has been received from which it appears that Mr. McCall tried to enlist for active military service overseas and that the recruiting officer told him he would be accepted, but that before the necessary papers were made out he met with an accident which necessitated the amputation of his left arm,—

The Minister submits the annexed copy of a medical certificate and recommends, in view of the foregoing, that further residence on the part of Mr. McCall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. McCall, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled and the required payments have been completed.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

**T**he Committee of the Privy Council have had before them a report, dated 14th February, 1917, from the Minister of the Interior, referring to an application received from the Canadian Northern Railway for a licence of occupation of that portion of the Sturgeon river, which is required for a bridge site, and which is described as follows :—

That certain parcel or tract of land, being a part of the bed of the Sturgeon river, situate in the south-east quarter of section twenty-three, in the fifty-sixth township, in the twenty-third range, west of the fourth meridian, in the Province of Alberta, as the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands, on the 13th day of May, 1901, which said parcel may be more particularly described as follows :—

Bounded on the north by the left bank and on the south by the right bank of the Sturgeon river ; and on the east and west by lines parallel to and forty-nine feet and five tenths of a foot perpendicularly distant on opposite sides of the centre line of the right of way of the Canadian Northern Western railway as the said centre line is shown upon a plan of survey across said bed and lands adjoining the same, which said plan is signed by A. S. Weekes, Dominion Land Surveyor, on the second day of June, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number 25035 a duplicate whereof is on record in the Land Titles office for the North Alberta Land Registration District under number 3009 B. C. 96, the parcel herein described containing by admeasurement twenty-seven-hundredths of an acre, more or less.

The Minister states that the site and the plans of works as submitted by the company have been approved

by the Department of Public Works in accordance with the provisions of the Navigation Waters Protection Act, chapter 110, R.S. 1906, as amended by chapter 44, 9-10 Edward VII, and that blue prints of these plans have been filed in the Department of the Interior ;

The Minister, therefore, recommends that he be authorized to issue in favour of the said Canadian Northern Western Railway Company, a license of occupation for that portion of the bed of the Sturgeon river which is described above, the said license to be for such time as the company may require the same in connection with the operation of the railway, and for which annual rental of one dollar (\$1) shall be paid to the Department of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 12th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

**T**he Committee of the Privy Council have had before them a report, dated 9th January, 1917, from the Minister of the Interior, submitting that it is provided inter alia by section 22 of the regulations for the survey, administration, disposal and management of Dominion lands within the forty mile belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for letters patent for his homestead, the east half of the northwest quarter of Section 2, Township 4, Range 5, west 7th Meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the Naturalization Act, or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with The Naturalization Act, and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway belt of British Columbia on active service for Great Britain or her Allies, who by reason of such service and the difficulty of technically complying with the provisions of the Naturalization Act are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

No person shall allow any other person to have possession of any such pass, permit certificate, licence or passport, issued for his use alone, or without lawful authority have in his possession any such pass, permit, licence, certificate, or passport issued for the use of some person other than himself, or on obtaining possession of any such pass, permit, certificate, licence or passport, by finding, or otherwise, neglect or fail, to restore it the person or authority by whom or for whose use it was issued or to a police constable.

No person shall be in possession of a false passport or being a subject of a Sovereign or State at war with His Majesty, shall under an assumed name.

It shall be the duty of every person affected by any order issued by the Competent Naval or Military Authority or other person in pursuance of these regulations to comply with that order.

Where under these regulations any act if done without lawful authority, or without lawful authority or excuse, is an offence against these regulations, the burden of proving that the act was done with lawful authority or with lawful authority or excuse shall rest on the person accused.

Every document purporting to be an order or other instrument issued by a competent naval or military authority and to be signed by such an authority shall be received in evidence and be deemed to be such an order or instrument without further proof unless the contrary is shown.

The powers conferred by these regulations are in addition to and not in derogation of any powers exercisable by members of His Majesty's naval and military forces and other persons to take such steps as may be necessary for securing the public safety and the defence of the empire, and nothing in these regulations shall affect the liability of any person to trial and punishment for any offence or war crime otherwise than in accordance with these regulations.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th January, 1917, from the Minister of the Interior, submitting that Mr. Jos. Hewitt went into occupation of the northeast quarter of section 21, township 9, range 3, west of the 2nd meridian, in November, 1885, and erected thereon a house, stable and other improvements.

As this quarter section has since been included in the Moose Mountain Forest Reserve, it is necessary to secure Mr. Hewitt's withdrawal from the land.

The Minister therefore recommends that authority be given under the provisions of the Dominion Lands Act, for the issue of a free patent to Mr. Hewitt for another quarter section, namely the southeast quarter of section 20, township 44, range 3, west of the 2nd meridian, upon his executing a surrender of his interest in the land of which he has been in occupation in the Forest Reserve and upon satisfactory evidence being furnished that he has vacated the land in question.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

Friday, the 26th day of January, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1917, from the Minister of the Interior, submitting that Mr. Frank Ruppert obtained the southeast quarter of Section 16, Township 33, Range 14, west of the 4th Meridian, under pre-emption entry on the 15th June, 1910; his appurtenant homestead, being the northeast quarter of the same section, for which he obtained patent on the 13th October, 1913.

Since completing his homestead duties, Mr. Ruppert carried on the settlement duties in connection with his pre-emption for one year when, owing to hardships attendant upon his undertaking, rheumatism of a severe form developed in his left hip. He has been undergoing medical treatment and, according to testimony submitted by his medical advisers, it is necessary for him to make use of crutches to go about, and it is represented, moreover, that the nature of Mr. Ruppert's ailment is likely to grow worse instead of better.

Under the circumstances, the Minister recommends that residence duties be dispensed with under subsection 2, of section 20, of The Dominion Lands Act of 1908, and that patent issue upon proof being furnished that the other conditions of the law have been fulfilled, and upon payment being made for the land at the statutory price.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,

33-4

Clerk of the Privy Council.

[316]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1917, from the Minister of the Interior, stating that application has been made by Mr. Louis Felix Cardinal of

Fort Vermilion, in the Province of Alberta, for a free grant of the fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, West of the Fifth Meridian, lying south of Peace River, of the said Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian Title.

The Minister observes that evidence has been submitted showing the applicant to have been in actual occupation of the land at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of Section 76 of The Dominion Lands Act, a free grant of 160 acres of the said fractional W.  $\frac{1}{2}$  of Section 22, Township 108, Range 13, west of the Fifth Meridian, lying south of Peace River, in the Province of Alberta, be authorized to Mr. Cardinal, and that he be permitted to purchase the excess area of 3.70 acres at the rate of \$3 an acre.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

33-4

Clerk of the Privy Council.

[479]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS the Upper Ottawa Improvement Company, Limited, of Ottawa, have submitted, under the provisions of chapter 68 of the Consolidated Statutes of Canada, and chapter 102, Victoria 51, the report of their operations for the year ended 21st January, 1917, and have applied for the approval of the annexed tariff of tolls which they propose to levy for the use of their works during the season of 1917;

And whereas the Collector of Revenue of the Department of Public Works has reported, in part, as follows on the application of the company for the approval of their tariff of tolls, viz :—

"The proposed tariff as compared with that of season 1916, is as follows :—

*Tolls.*—8 rates greater, 2 less and 1 the same as in 1916.

*Towing, Driving and Sweeping.*—All greater than in 1916.

*Boom Working and Driving.*—All greater than in 1916.

*Towing.*—7 rates greater, 2 less and 2 the same as in 1916.

*Towing per Hour.*—All greater than in 1916.

If the increase should by any chance exceed the demands of the season's work, in any of the above divisions of the tariff, the company can, and I have no doubt will, reduce the charges of the actual requirements as has always been the practice.

Under the circumstances, and considering that the dividend in stock has been held at 8 per cent, though this company is authorized to declare one of 10 per cent, I think that the proposed tariff of 1917 might be recommended, as I believe no injustice is likely to ensue to any one interested.

The unusual request for a general increase in the rates is due to the fact that the company had a deficit of about \$40,000 on working expenses in 1916, caused by scarcity of labour and great increase in wages. This latter amount, the Directors anticipate, will be still larger during the coming year, the added expenses being estimated at from 30 to 50 per cent above that in 1916. Moreover, I might mention that in most cases, the increase in rates proposed will be necessary to meet the cost of up-keep and operation considering the probable reduction in the logs, etc., being manufactured during the present winter, because as I explained in my memo of the 14th April, 1914 (copy annexed), the cost of all these operations will have to be borne, each year by the quantity of material handled by the company."

And whereas, in view of the report of the Collector of Revenue of the Department of Public Works, the Chief Engineer of the Department advises the approval of the tariff of tolls in question ;

Therefore His Excellency the Governor General, by and with the advice of the King's Privy Council for Canada, is pleased to approve and doth hereby approve the annexed tariff of tolls which the Upper Ottawa Improvement Company, Limited, of Ottawa, propose to levy for the use of their works during the season of 1917.

Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

The Committee of the Privy Council has had before them a report, dated 27th January, 1917, from the Minister of the Interior, stating that William Thorburn was permitted to obtain entry for the south-west quarter of Section 13, Township 28, Range 22, west of the 2nd Meridian, on the 30th May, 1910.

It would appear from evidence furnished that Mr. Thorburn has broken 8½ acres on this quarter-section, and that he performed about eighteen months residence on land in the vicinity before having to return to Ontario on account of illness.

The Minister submits the annexed copy of a Medical Certificate from James A. Baker, M.B., stating that Mr. Thorburn is suffering from a form of paralysis.

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in this case under the authority of sub-section 2, of section 20, of the Act, so that free patent may be issued to Mr. Thorburn for the quarter-section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
  - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

## ARRÊTÉS EN CONSEIL.

[210]

### HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de janvier 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

À U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 janvier 1917, représentant qu'à M. Frank Ruppert a été cédé, le 15 juin 1910, le quart sud-est de la section 16, township 33, rang 14, à l'ouest du 4e méridien. Le 13 octobre 1913 le requérant obtenait des lettres patentes pour le homestead adjacent, le quart nord-est de la dite section.

Après avoir rempli ses obligations de homestead, M. Ruppert, une année durant, a rempli ses obligations de préemption; mais le dur labeur qu'il a dû s'imposer l'a affligé d'un grave rhumatisme à la hanche gauche.

Il est sous les soins de médecins, et ces derniers affirment qu'il doit faire usage de béquilles, et de plus que son mal augmentera plutôt que de s'améliorer;

A ces causes, le Ministre recommande que M. Ruppert soit relevé des obligations de résidence qu'impose le paragraphe 2 de l'article 20 de la *Loi des terres fédérales* et que la patente soit émise dès que la preuve sera établie que les autres conditions de la loi ont été remplies et que le paiement prescrit par la loi aura été fait.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,

Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

À U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 janvier 1917, représentant que M. Louis Félix Cardinal, de Fort Vermillion, dans la province d'Alberta a demandé la concession gratuite de la moitié fractionnaire ouest de la section 22, township 108, rang 13, à l'ouest du 5e méridien située au sud de la rivière à la Paix, dans la dite province d'Alberta, en vertu du fait qu'il occupait ce terrain à la date de l'extinction du titre des sauvages.

Le Ministre représente qu'il a été établi que le demandeur résidait sur le terrain à la date de la conclusion du traité numéro 8, à l'été de 1899.

Le Ministre recommande, par conséquent, qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales* on autorise la concession gratuite à M. Cardinal de 160 acres de la dite moitié fractionnaire ouest de la section 22, township 108, à l'ouest du 5e méridien, située au sud de la rivière à la Paix dans la province d'Alberta et qu'il lui soit permis d'acheter ce qui reste, soit 3.70 acres, de la superficie totale au prix de \$3.00 l'acre.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

À U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 février 1917, représentant que M. Samuel McCall a obtenu les inscriptions de homestead et de préemption pour la moitié est de la section 21, township 31, rang 1, à l'ouest du 3e méridien, le 1er mai 1915;

Le ministre ajoute que d'après les renseignements reçus il appert que M. McCall s'est présenté pour l'enrôlement dans le service militaire actif d'outre-mer et que l'officier recruteur lui a affirmé qu'il serait accepté, mais qu'avant que les papiers nécessaires aient été préparés il fut victime d'un accident qui nécessita l'amputation du bras gauche,—

Le ministre soumet la copie annexé d'un certificat médical et, en vue des faits précités, il recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, chapitre 20, 7-8 Édouard VII, M. McCall soit exempté de toute autre obligation de résidence, afin que la patente du terrain puisse lui être délivrée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies et que les paiements requis ont été faits.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 2e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que depuis le commencement de la guerre un grand nombre de civils ont quitté le Canada pour visiter le Royaume-Uni ;

Et attendu que, d'après certains renseignements communiqués au Gouvernement, le coût déjà très élevé de la vie dans le Royaume-Uni continue à augmenter, et la présence dans ce pays de nombreux civils canadiens qui ne rendent aucun service à l'empire surcharge sans raison le gouvernement britannique d'un fardeau additionnel en ce qui concerne l'approvisionnement de vivres, et fait qu'il est difficile à nombre de ces visiteurs de se sustenter et même de revenir au Canada ;

Et attendu qu'un certain nombre ont réussi à revenir à des ports océaniques canadiens sans les moyens de se rendre à leur destination en Canada ;

Et attendu qu'il est probable que dès que la paix sera déclarée le rapatriement des troupes canadiennes offrira des difficultés et qu'il sera impossible de pourvoir sans délai au rapatriement des civils avec les navires alors disponibles ;

Par conséquent, considérant ce qui précède et afin d'empêcher l'exode de civils canadiens au Royaume-Uni, il plaît à Son Excellence le Gouverneur général en conseil, en vertu de l'article 6 de la Loi des mesures de guerre, 1914, de décréter par ces présentes ce qui suit :

Nuls passeports permettant à des civils de quitter le Canada pour le Royaume-Uni ne seront émis sans que le Département des Affaires extérieures se soit assuré que les raisons pour l'émission de passeports sont valables et urgentes, et sans que celui qui demande un passeport ait prouvé au département qu'il a les ressources nécessaires pour pourvoir à ses besoins dans le Royaume-Uni et pour revenir au Canada.

Mardi, le 20e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL  
EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 février 1917, concernant une demande reçue du chemin de fer Canadian Northern Western pour un permis d'occupation d'une partie de la rivière Sturgeon requise pour l'emplacement d'un pont, et qui est décrite comme suit :

La partie du lit de la rivière Sturgeon située dans le quart sud-est de la section 23, township 56, rang 23, à l'ouest du 4e méridien, dans la province d'Alberta, ainsi que la dite section 23 est indiquée sur un plan du dit township approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le 13 mai 1901. Ce terrain peut être décrit plus minutieusement comme suit :

Borné au nord par la rive gauche et au sud par la rive droite de la rivière Sturgeon ; à l'est et à l'ouest par des lignes parallèles à la ligne du centre de la voie du chemin de fer Canadian Northern Western et éloignées perpendiculairement de 49.5 pieds de chaque côté de cette ligne de centre, ainsi qu'indiqué sur un plan d'arpentage du lit de la rivière et des terres adjacentes, lequel plan est signé par A. S. Weekes, arpenteur des terres fédérales, le 2 juin 1916, et déposé au Département de l'Intérieur sous le numéro 25035, et dont un duplicata est aussi déposé au bureau des titres de terre du district d'enregistrement d'Alberta-nord sous le numéro 3009 B. C. 96, le terrain ci-dessus contenant vingt-sept centièmes d'un acre plus ou moins.

Le ministre représente que l'emplacement et les plans des travaux, ainsi que soumis à la compagnie,

ont été approuvés par le Département des Travaux publics conformément aux dispositions de la Loi de la protection des eaux navigables, chapitre 110 des statuts révisés de 1906, ainsi que modifiés par le chapitre 44, 9-10 Edouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent, le Ministre demande l'autorisation d'accorder à ladite compagnie de chemin de fer Canadian Northern Western un permis d'occupation de la partie décrite ci-dessus du lit de la rivière Sturgeon. Ce permis sera pour la période durant laquelle la compagnie aura besoin du terrain pour l'exploitation de son chemin de fer ; un loyer annuel d'un dollar (\$1) sera payé au Département de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 20e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que la compagnie dite "The Upper Ottawa Improvement Company, Limited," d'Ottawa, a soumis, sous l'empire des dispositions du chapitre 68 des Statuts révisés du Canada et du chapitre 102, 51 Victoria, le rapport de ses opérations pour l'année terminée le 21 janvier 1917, et a demandé que soit approuvé le tarif de droits ci-annexé qu'elle se propose de prélever pour l'usage de son outillage au cours de la saison de 1911 ;

Et attendu que le percepteur du revenu du Département des Travaux publics a fait le rapport suivant au sujet de la demande de la compagnie pour l'approbation de son tarif de droits, savoir :—

"Le tarif proposé, comparé à celui de la saison de 1916, est comme suit :

*Droits*,—8 plus élevés, 2 moins élevés et 1 le même qu'en 1916.

*Remorquage, flottage*,—Tous plus élevés qu'en 1916.

*Service des estacades et flottage*,—Tous plus élevés qu'en 1916.

*Remorquage*,—10 des droits plus élevés, 2 moins élevés et 2 les mêmes qu'en 1916.

*Remorquage à l'heure*,—Tous plus élevés qu'en 1916.

Si le revenu excédait les besoins du travail de la saison dans une division quelconque de ce tarif, la compagnie peut le réduire, et le réduira sans doute pour en venir aux exigences du service, comme elle l'a toujours fait.

Dans les circonstances, et considérant que le dividende n'a jamais excédé huit pour cent, quoique cette compagnie soit autorisée à payer un dividende de dix pour cent, je crois que le tarif proposé pour 1917 mérite approbation, car je suis convaincu qu'il ne sera cause d'aucune injustice pour les intéressés.

La demande inaccoutumée d'une augmentation générale des droits est due au fait que la compagnie a enregistré un déficit d'environ \$40,000 dans ses frais d'exploitation en 1916, ce qui a été causé par la rareté de la main-d'œuvre et l'augmentation considérable des salaires. Les directeurs appréhendent que le déficit sera encore plus élevé au cours de l'année prochaine, les frais d'exploitation étant estimés à de trente à cinquante pour cent de plus qu'en 1916. Outre cela, dans la plupart des cas, l'augmentation des droits proposée sera nécessaire pour faire face aux frais d'entretien et d'exploitation en vue de la réduction probable du nombre des billes, etc., manufacturées durant le présent hiver, car, comme je l'ai expliqué dans mon mémoire du 14 avril 1914 (copie annexée), la quantité de matériaux passant aux mains de la compagnie devra chaque année couvrir le coût de toutes ses opérations.

Et attendu qu'en vue des conclusions de ce rapport du percepteur du revenu du Département des Travaux publics, l'ingénieur en chef du département recommande que ce tarif de droits soit approuvé,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, de l'avis du Conseil privé du Roi pour le Canada, d'approuver par ces présentes le tarif de droits ci-annexé que la compagnie dite "The Upper Ottawa Improvement Company, Limited," se propose de percevoir pour l'usage de son outillage au cours de la saison de 1916.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant qu'en novembre 1885 M. Joseph Hewitt occupa le quart nord-est de la section 21, township 9, rang 3, à l'ouest du 2e méridien, y érigea une maison et une étable et y fit d'autres améliorations ;

L'inclusion subséquente de ce terrain dans la réserve forestière de Moose Mountain nécessite l'abandon par M. Hewitt de son terrain,—

Le Ministre recommande, par conséquent, qu'on l'autorise, en vertu des dispositions de la *Loi des terres fédérales*, de donner à M. Hewitt la patente gratuite d'un autre quart de section, le quart sud-est de la section 20, township 44, rang 3, à l'ouest du 2e méridien, en retour de l'abandon par M. Hewitt de ses droits sur ce terrain qu'il a ainsi occupé dans la réserve forestière susdite et dès qu'il aura été établi à la satisfaction du Ministre qu'il n'occupe plus le terrain en question.

Le comité agréa cette recommandation et la soumet pour approbation.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 12e jour de février 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 janvier 1917, représentant qu'à l'article 22 des règlements régissant l'arpentage, l'administration, la vente et la gérance des terres fédérales dans les limites de la zone de 40 milles de la province de la Colombie-Anglaise, ainsi qu'établis par arrêté en conseil du 17 septembre 1889, il est prescrit, entre autre choses, qu'une patente de homestead ne peut être émise en faveur d'une personne qui n'est pas alors sujet britannique né ou naturalisé.

Emile André Marc, réserviste français, servant actuellement avec les "Second Life Guards," corps expéditionnaire britannique en France, a demandé des lettres patentes pour son homestead, la moitié est du quart nord-ouest de la section 2, township 4, rang 5, à l'ouest du 7e méridien, et, d'après les faits établis, y a accompli ses obligations d'établissement. M. Marc est né en France et n'a pas encore été naturalisé. Il quitta la Colombie-Britannique pour prendre du service actif en août 1914. Sa femme et son enfant résident au Canada. En décembre 1914 il demanda l'émission de sa patente. Certains retards se produisirent dans l'envoi du front de sa demande de patente, et le fait qu'il n'est pas naturalisé retarde encore l'émission de cette patente. Se conformer aux prescriptions de la *Loi de naturalisation* serait risquer de nouveaux retards, ou rendre impossible la naturalisation de M. Marc tant qu'il sera en service actif.

Le Ministre croit que tout nouveau retard dans le règlement de cette affaire serait regrettable et est d'avis que la preuve de la sincérité d'intention de ce homesteader à devenir sujet britannique est établie par le fait qu'il a ainsi pris du service actif dans la guerre actuelle, et que les conditions de naturalisation au dit article 22 des règlements sont suffisamment remplies.

Le ministre représente que le département a actuellement en considération un autre cas d'émission de patente à un homesteader enrôlé dans le service, que le règlement de ce cas est retardé à cause de la nécessité de se conformer à la *Loi de naturalisation*, et que d'autres cas surgiront sans doute de temps à autre.

Par conséquent, le Ministre recommande que dans le cas de homesteaders de la zone des chemins de fer de la Colombie Britannique, en service actif pour la Grande Bretagne ou pour ses alliés et qui, en raison de

ce service et de la difficulté de se conformer techniquement aux prescriptions de la *Loi de naturalisation*, ne peuvent obtenir leur patente ou que l'émission en est retardée après que sont accomplies les obligations d'établissement, il soit autorisé à se soustraire aux prescriptions du dit article 22 quant à la naturalisation avant l'émission de la patente.

Le comité agréa cette recommandation et la soumet pour approbation.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 13e jour de février 1917.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur Général en conseil, en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir les ordonnances et règlements suivants, et ils sont par ces présentes établis et décrétés en conséquence, savoir :

Quand les autorités compétentes navales ou militaires, ou toute autre personne dûment autorisée, ou un fonctionnaire du service d'immigration ont raison de soupçonner qu'une personne quelconque qui est sur le point de s'embarquer sur un navire, vaisseau ou appareil de navigation aérienne, ou de voyager par terre, a l'intention de quitter le Canada dans le but de communiquer directement ou indirectement avec l'ennemi ou avec un sujet quelconque d'un souverain ou d'un état qui est en guerre avec Sa Majesté, ils peuvent empêcher l'embarquement ou le départ de telle personne.

Quiconque a ainsi été empêché de s'embarquer ou de partir a le droit d'en appeler au ministre de l'Intérieur, et au cas d'appel le fonctionnaire concerné doit adresser au Ministre l'appel ainsi que son rapport. Si l'appel est accordé, l'appelant en est immédiatement avisé ; sinon, la décision du fonctionnaire est maintenue.

Toute personne qui débarque à un endroit quelconque au Canada ou y arrive, ou qui s'y embarque ou le quitte, ou qui se trouve dans un port ou dans les eaux territoriales du Canada, doit sur demande des autorités navales ou militaires ou de toute personne autorisée, ou de tout fonctionnaire du service d'immigration ou des douanes, ou de tout agent de police, faire une déclaration quant au fait qu'elle porte ou ne porte pas de lettres ou autres messages écrits qui doivent être transmis par la poste ou autrement délivrés. Sur demande elle remettra ces lettres ou messages, et les autorités navales ou militaires ou la personne autorisée, ou le fonctionnaire du service de l'immigration ou des douanes, ou l'agent de police peuvent fouiller toute personne et tout bagage afin de constater si cette personne ou celle à laquelle le bagage appartient porte de telles lettres ou de tels messages. Les autorités navales ou militaires compétentes ou les personnes qu'elles autorisent, ou le fonctionnaire du service d'immigration ou des douanes, ou l'agent de police peuvent examiner toutes lettres ou tous autres messages qui leur sont remis ou qu'ils découvrent, et peuvent les transmettre au fonctionnaire préposé à la censure de la correspondance postale.

Personne n'expédiera hors du Canada, soit par la poste ou autrement, de lettre, document ou substance contenant de l'écriture qui n'est pas visible ou lisible sans que la substance dans laquelle se trouve cette écriture ne soit soumise à l'épreuve de la chaleur ou autre traitement, ni n'expédiera de lettres, document ou substance qui sert de manière quelconque aux communications secrètes.

Personne n'entravera, décevra sciemment, ou contrariera autrement un fonctionnaire ou autre personne qui exécute les ordres des autorités compétentes navales ou militaires, ou qui agit conformément aux devoirs que lui imposent les présents règlements, ni ne refusera de communiquer à un fonctionnaire ou autre personne des renseignements qu'il possède et qu'on peut raisonnablement exiger.

Personne, verbalement ou par écrit, dans un rapport, un compte rendu, une déclaration ou une demande, ou dans un document quelconque signé de sa main ou en son nom et dont il doit constater l'exactitude, ne fera ni ne contribuera à faire une fausse déclaration ou une omission qui pourrait induire en erreur les autorités compétentes navales ou militaires, ou toute autre personne exécutant les ordres d'un fonctionnaire dans l'exécution de ses devoirs.

Personne ne fabriquera, altérera ou contrefera un laissez-passer, un permis, un certificat, une licence ou autre document naval, militaire ou officiel, ou un passeport quelconque, ni ne se servira ou aura en sa possession de tels laissez-passer, permis, certificats, licences, documents ou passeports fabriqués, altérés ou contrefaits.

Aucune personne ne se substituera à une autre, ou se représentera comme étant ou n'étant pas une personne à qui ce laissez-passer, permis ou certificat, cette licence ou cet autre document ou passeport a été dûment délivré, ou fera sciemment de fausses déclarations dans l'intention d'obtenir pour elle-même ou une autre personne tel laissez-passer, permis ou certificat, ou telle licence ou tel document ou passeport.

Personne ne détruira, ne fera disparaître ou ne perdra par négligence volontaire un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel autre document ou passeport, ni ne le retiendra quand il n'en a pas le droit ou que c'est contraire à son devoir, ni négligera de se conformer aux instructions qui lui sont données par les autorités compétentes au sujet de leur remise.

Nul ne permettra à une personne quelconque de retenir en sa possession un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel passeport qui a été émis pour son seul usage, ni n'aura en sa possession sans autorisation légale un tel laissez-passer, permis ou certificat, ou une telle licence, ou un tel passeport émis pour une autre personne que lui-même; et nul qui aura obtenu possession d'un tel laissez-passer, permis ou certificat, ou d'une telle licence, ou d'un tel passeport, qu'il l'ait trouvé ou se le soit autrement procuré, ne négligera ou manquera de le remettre à la personne ou à l'autorité pour ou par laquelle il a été émis, ou à un agent de police.

Nul n'aura en sa possession un faux passeport, et personne qui est sujet d'un souverain ou d'un état qui est en guerre avec Sa Majesté ne passera sous un nom d'emprunt.

Il est du devoir de quiconque est affecté par un ordre émis par les autorités compétentes navales ou militaires, ou par une autre personne sous l'empire des présents règlements, de se conformer à cet ordre.

Quand sous l'empire des présents règlements un acte accompli sans autorisation légale, ou sans autorisation ou excuse légale, est une infraction des présents règlements, c'est à l'accusé qu'il incombe de prouver que cet acte a été accompli avec autorisation légale, ou avec autorisation ou excuse légale.

Tout document paraissant être un ordre ou autre instrument émis par les autorités compétentes navales ou militaires et être signé par ces autorités sera accepté comme preuve et supposé être tel ordre ou instrument sans autre preuve à moins que le contraire ne soit démontré.

Les pouvoirs conférés par les présents règlements sont ajoutés et ne dérogent pas aux pouvoirs que peuvent exercer les membres des forces navales et militaires de Sa Majesté, ainsi que d'autres personnes, afin de prendre les mesures nécessaires pour la sûreté publique et la défense de l'Empire; et rien dans les présents règlements n'exemptera qui que ce soit de poursuites ou de peines pour un délit ou crime quelconque en rapport avec la guerre autrement qu'en conformité des présents règlements.

Les autorités compétentes navales ou militaires, ou quiconque promulgue un ordre sous l'empire des présents règlements, en publiera un avis dans la manière jugée la meilleure pour renseigner ceux que cet ordre affecte; et nul ne doit sans autorisation légale détruire ou mutiler un tel avis affiché conformément aux présents règlements, ou tel autre avis, annonce ou placard quelconque qui a rapport aux troupes de Sa Majesté ou au service militaire ou naval, quand l'affichage a été dûment autorisé.

Quiconque affirme être autorisé à l'inspection sous l'empire et pour les fins des présents règlements doit présenter son permis en tout temps que l'exigent les autorités compétentes navales ou militaires ou autre personne autorisée par elles, ou tout officier de la marine ou de l'armée, ou tout matelot ou soldat en vigie ou en faction ou autre service semblable, ou tout fonctionnaire des douanes ou de l'accise, ou tout agent de police ou fonctionnaire du service d'immigration. Tout permis ou toute autorisation, sous l'empire des présents règlements ou pour la mise en vigueur de leurs prescriptions, peut en tout temps être révoqué.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant que, le 30 mai 1910, M. William Thornton a obtenu l'inscription du quart sud-ouest de la section 13, township 28, rang 22, à l'ouest du 2e méridien.

Il aurait été établi que M. Thornton a fait 8½ acres de défoncement sur ce quart de section et a accompli 18 mois de résidence sur un terrain avoisinant alors qu'il se vit forcé de retourner dans l'Ontario pour cause de maladie.

Le Ministre soumet un certificat médical du docteur James A. Baker, établissant que M. Thornton souffre d'une attaque de paralysie.

Vu ces circonstances le Ministre recommande qu'en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, M. Thornton soit relevé de ses obligations de résidence pour que patente gratuite du dit quart de section lui soit délivrée sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agréé cette recommandation et la soumet pour approbation.

## DEMANDÉS AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- |  |          |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....      | 100 00   |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00   |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000.....                          | 100 00   |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00   |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00   |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00   |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000.....                      | 400 00   |
| (i) Pour chaque million ou fraction de million de dollars additionnel....  | 100 00   |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) -doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examinateur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débiteures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

## SENAT.

*Avis de bills privés.*

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

(A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphie ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro, de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour

en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

## ORDERS IN COUNCIL.

[493]

### AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 20th day of February, 1917.

PRESENT :

#### HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

**THE** Committee of the Privy Council have had before them a report, dated 15th February, 1917, from the Minister of the Interior, stating that Mr. Samuel McCall was granted homestead and pre-emption entries for the East half of Section 21, Township 31, Range 1, west of the 3rd Meridian, on the 1st May, 1915 ;

The Minister further states that information has been received from which it appears that Mr. McCall tried to enlist for active military service overseas and that the recruiting officer told him he would be accepted, but that before the necessary papers were made out he met with an accident which necessitated the amputation of his left arm,—

The Minister submits the annexed copy of a medical certificate and recommends, in view of the foregoing, that further residence on the part of Mr. McCall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. McCall, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled and the required payments have been completed.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

PRESENT :

#### HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

**THE** Committee of the Privy Council have had before them a report, dated 14th February, 1917, from the Minister of the Interior, referring to an application received from the Canadian Northern Railway for a licence of occupation of that portion of the Sturgeon river, which is required for a bridge site, and which is described as follows :—

That certain parcel or tract of land, being a part of the bed of the Sturgeon river, situate in the south-east quarter of section twenty-three, in the fifty-sixth township, in the twenty-third range, west of the fourth meridian, in the Province of Alberta, as the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands, on the 13th day of May, 1901, which said parcel may be more particularly described as follows :—

Bounded on the north by the left bank and on the south by the right bank of the Sturgeon river ; and on the east and west by lines parallel to and forty-nine feet and five tenths of a foot perpendicularly distant on opposite sides of the centre line of the right of way of the Canadian Northern Western railway as the said centre line is shown upon a plan of survey across said bed and lands adjoining the same, which said plan is signed by A. S. Weekes, Dominion Land Surveyor, on the second day of June, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number 25035 a duplicate whereof is on record in the Land Titles office for the North Alberta Land Registration District under number 3009 B. C. 96, the parcel herein described containing by admeasurement twenty-seven-hundredths of an acre, more or less.

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of the Navigation Waters Protection Act, chapter 110, R.S. 1906, as amended by chapter 44, 9-10 Edward VII, and that blue prints of these plans have been filed in the Department of the Interior;

The Minister, therefore, recommends that he be authorized to issue in favour of the said Canadian Northern Western Railway Company, a license of occupation for that portion of the bed of the Sturgeon river which is described above, the said license to be for such time as the company may require the same in connection with the operation of the railway, and for which annual rental of one dollar (\$1) shall be paid to the Department of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 12th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th January, 1917, from the Minister of the Interior, submitting that it is provided inter alia by section 22 of the regulations for the survey, administration, disposal and management of Dominion lands within the forty mile belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for letters patent for his homestead, the east half of the northwest quarter of Section 2, Township 4, Range 5, west 7th Meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the Naturalization Act, or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with The Naturalization Act, and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway belt of British Columbia on active service for Great Britain or her Allies, who by reason of such service and the difficulty of technically complying with the provisions of the Naturalization Act are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[560]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of February, 1917.

PRESENT :

THE DEPUTY GOVERNOR GENERAL IN  
COUNCIL.

WHEREAS owing to enlistment for overseas service there is now throughout Canada a great scarcity of farm labourers which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard; and

Wherefore it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery;

Therefore the Deputy Governor General in Council, in view of the foregoing, is pleased, under and by virtue of the authority conferred upon him by section 6 of The War Measures Act, 1914, to make the following Order and Regulations and the same are hereby made and enacted, accordingly:—

Notwithstanding anything contained in The Dominion Lands Act or the amendments thereto, during the remainder of the year 1917 the holders of homestead, pre-emption or purchased homestead entries who are employed as farm labourers within the Dominion of Canada allowed the period of such employment as a like per residence in connection with their respective entries, subject to the following conditions,—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the District in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

7. Notwithstanding anything contained in The Dominion Lands Act or the amendments thereto, the cultivation required to earn patent in such cases may be performed in two years instead of three.

8. In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[561]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

**W**HEREAS it is provided by section 7 of The Dominion Lands Act, that no land shall be open for entry for a homestead or otherwise until it has been surveyed in accordance with the provisions of The Dominion Lands Surveys Act, and notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least thirty days in the land office for the district in which the land is situate, and has been published in at least one newspaper in that district and in one newspaper in the provincial capital.

And whereas it is also provided by regulation of the Department of the Interior that in certain cases where entries have been cancelled, or where lands which have been under reservation are released from such reservation, the lands affected shall before being made available for the general public, be posted for at least ten days in the Land Office for the district, also in the sub-office at which departmental business may be transacted for the district, and in the post office nearest to the land.

And whereas the attention of the Minister of the Interior has been drawn to the handicap experienced by returned soldiers who may be suffering to a certain extent from physical disability, when making application for entry for Dominion lands in competition with the general public ;

And whereas the Minister of the Interior is of opinion that it is desirable that provision should be made whereby any returned soldier, as hereinafter defined or specified, who desires to make application for such entry, should have priority for a period of one day from and following the hour at which land becomes available after having been advertised or posted, as hereinafter set forth ; provided, however, that any such applicant must be eligible under The Dominion Lands Act and the amendments thereto, or of regulations thereunder, for entry of the class for which he intends to make application, and, further, that he must be prepared to fulfil the settlement conditions thereby prescribed.

Therefore His Excellency the Governor General in Council under and in virtue of the provisions of section 6 of The War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and established accordingly :—

1. From and after a date to be fixed by the Minister of the Interior, wherever any parcel or parcels of Dominion lands become available for entry as hereinbefore set forth, after having been advertised or posted according to the provisions of The Dominion Lands Act, as amended, and of any regulations thereunder, a period of one office day shall be allowed, immediately following the expiry of the term of advertising or posting, during the office hours of which day the right of making entry for such parcel or parcels of Dominion lands shall be restricted to returned soldiers who have served overseas during the present war with the military or naval forces of Great Britain, or with any of the Allies of Great Britain; who have been honourably discharged therefrom, and who are present in person at the office of the local Agent for the district for the purpose of making entry. An application for entry by any of these soldiers shall be made, received and dealt with in all respects, except as herein provided, under the provisions of the said Act, as amended, and regulations then in force. Each of such returned soldiers applying for entry on the day above mentioned shall submit for the inspection of the Agent of Dominion Lands for the district in which the land so applied for is situate, his certificate of honourable discharge from military service of the nature before referred to ; failing which his application for entry shall not be accepted on that day.

2. In the case of more than one returned soldier being present at the opening of the Land Office on the day above referred to, priority as between the respec-

tive applicants shall be decided under the then existing regulations in that behalf.

3. No concessions shall be extended to a returned soldier who applied for entry at the office of any sub-agent of Dominion Lands.

4. Upon the opening of the Land Office for the district, on the day immediately following the period set apart for receiving applications for entry from returned soldiers, as above set forth, the disposal of any of such parcels of land remaining unentered for, shall proceed in the manner provided for by the then existing Dominion Lands Act as amended, and regulations thereunder.

5. In the event of any question being raised as to the interpretation of any of the foregoing regulations, the Minister of the Interior is authorized to decide such question in such manner as he may deem just, having in view the circumstances of the case.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

**W**HEREAS applications have been made to the Minister of the Interior to extend the provisions of the Orders in Council hereinafter referred to, which at present only protect the holders of homesteads, to pre-emptions and purchased homesteads ;

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of the War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and enacted accordingly :

1. Provided always that in all cases, before a patent is issued for a pre-emption or purchased homestead, all payments of principal and interest shall be made and completed as prescribed by the Dominion Lands Act and the amendments thereto.

THE Committee of the Privy Council have had before them a report, dated 27th January, 1917, from the Minister of the Interior, submitting that Mr. Jos. Hewitt went into occupation of the northeast quarter of section 21, township 9, range 3, west of the 2nd meridian, in November, 1885, and erected thereon a house, stable and other improvements.

As this quarter section has since been included in the Moose Mountain Forest Reserve, it is necessary to secure Mr. Hewitt's withdrawal from the land.

The Minister therefore recommends that authority be given under the provisions of the Dominion Lands Act, for the issue of a free patent to Mr. Hewitt for another quarter section, namely the southeast quarter of section 20, township 44, range 3, west of the 2nd meridian, upon his executing a surrender of his interest in the land of which he has been in occupation in the Forest Reserve and upon satisfactory evidence being furnished that he has vacated the land in question.

##### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1916.*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties:

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
  - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

## ARRÊTÉS EN CONSEIL.

[327]

HOTEL DU GOUVERNEMENT À OTTAWA

Mardi, le 6e jour de février 1917

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 janvier 1917, représentant qu'en novembre 1885 M. Joseph Hewitt occupa le quart nord-est de la section 21, township 9, rang 3, à l'ouest du 2e méridien, y érigea une maison et une étable et y fit d'autres améliorations ;

L'inclusion subséquente de ce terrain dans la réserve forestière de Moose Mountain nécessite l'abandon par M. Hewitt de son terrain,—

Le Ministre recommande, par conséquent, qu'on l'autorise, en vertu des dispositions de la *Loi des terres fédérales*, de donner à M. Hewitt la patente gratuite d'un autre quart de section, le quart sud-est de la section 20, township 44, rang 3, à l'ouest du 2e méridien, en retour de l'abandon par M. Hewitt de ses droits sur ce terrain qu'il a ainsi occupé dans la réserve forestière susdite et dès qu'il aura été établi à la satisfaction du Ministre qu'il n'occupe plus le terrain en question.

Le comité agréa cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 février 1917, représentant que M. Samuel McCall a obtenu les inscriptions de homestead et de préemption pour la moitié est de la section 21, township 31, rang 1, à l'ouest du 3e méridien, le 1er mai 1915 ;

Le ministre ajoute que d'après les renseignements reçus il appert que M. McCall s'est présenté pour l'enrôlement dans le service militaire actif d'outre-mer et que l'officier recruteur lui a affirmé qu'il serait accepté, mais qu'avant que les papiers nécessaires aient été préparés il fut victime d'un accident qui nécessita l'amputation du bras gauche,—

Le ministre soumet la copie annexé d'un certificat médical et, en vue des faits précités, il recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, M. McCall soit exempté de toute autre obligation de résidence, afin que la patente du terrain puisse lui être délivrée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies et que les paiements requis ont été faits.

Le comité agréa cette recommandation et la soumet pour approbation.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 12e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 janvier 1917, représentant qu'à l'article 22 des règlements régissant l'arpentage, l'administration, la vente et la gérance des terres fédérales dans les limites de la zone de 40 milles de la province de la Colombie-Anglaise, ainsi qu'établis par arrêté en conseil du 17 septembre 1889, il est prescrit, entre autre choses, qu'une patente de homestead ne peut être émise en faveur d'une personne qui n'est pas alors sujet britannique né ou naturalisé.

Emile André Marc, réserviste français, servant actuellement avec les "Second Life Guards," corps expéditionnaire britannique en France, a demandé des lettres patentes pour son homestead, la moitié est du quart nord-ouest de la section 2, township 4, rang 5, à l'ouest du 7e méridien, et, d'après les faits établis, y a accompli ses obligations d'établissement. M. Marc est né en France et n'a pas encore été naturalisé. Il quitta la Colombie-Britannique pour prendre du service actif en août 1914. Sa femme et son enfant résident au Canada. En décembre 1914 il demanda l'émission de sa patente. Certains retards se produisirent dans l'envoi du front de sa demande de patente, et le fait qu'il n'est pas naturalisé retarde encore l'émission de cette patente. Se conformer aux prescriptions de la *Loi de naturalisation* serait risquer de nouveaux retards, ou rendre impossible la naturalisation de M. Marc tant qu'il sera en service actif.

Le Ministre croit que tout nouveau retard dans le règlement de cette affaire serait regrettable et est d'avis que la preuve de la sincérité d'intention de ce homesteader à devenir sujet britannique est établie par le fait qu'il a ainsi pris du service actif dans la guerre actuelle, et que les conditions de naturalisation au dit article 22 des règlements sont suffisamment remplies.

Le ministre représente que le département a actuellement en considération un autre cas d'émission de patente à un homesteader enrôlé dans le service, que le règlement de ce cas est retardé à cause de la nécessité de se conformer à la *Loi de naturalisation*, et que d'autres cas surgiront sans doute de temps à autre.

Par conséquent, le Ministre recommande que dans le cas de homesteaders de la zone des chemins de fer de la Colombie Britannique, en service actif pour la Grande Bretagne ou pour ses alliés et qui, en raison de ce service et de la difficulté de se conformer techniquement aux prescriptions de la *Loi de naturalisation*, ne peuvent obtenir leur patente ou que l'émission en est retardée après que sont accomplies les obligations d'établissement, il soit autorisé à se soustraire aux prescriptions du dit article 22 quant à la naturalisation avant l'émission de la patente.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

GÉNÉRAL EN CONSEIL.

**A**TTENDU que depuis le commencement de la guerre un grand nombre de civils ont quitté le Canada pour visiter le Royaume-Uni ;

Et attendu que, d'après certains renseignements communiqués au Gouvernement, le coût déjà très élevé de la vie dans le Royaume-Uni continue à augmenter, et la présence dans ce pays de nombreux civils canadiens qui ne rendent aucun service à l'empire surcharge sans raison le gouvernement britannique d'un fardeau additionnel en ce qui concerne l'approvisionnement de vivres, et fait qu'il est difficile à nombre de ces visiteurs de se sustenter et même de revenir au Canada ;

Et attendu qu'un certain nombre ont réussi à revenir à des ports océaniques canadiens sans les moyens de se rendre à leur destination en Canada ;

Et attendu qu'il est probable que dès que la paix sera déclarée le rapatriement des troupes canadiennes offrira des difficultés et qu'il sera impossible de pourvoir sans délai au rapatriement des civils avec les navires alors disponibles ;

Par conséquent, considérant ce qui précède et afin d'empêcher l'exode de civils canadiens au Royaume-Uni, il plaît à Son Excellence le Gouverneur général en conseil, en vertu de l'article 6 de la Loi des mesures de guerre, 1914, de décréter par ces présentes ce qui suit :

Nuls passeports permettant à des civils de quitter le Canada pour le Royaume-Uni ne seront émis sans que le Département des Affaires extérieures se soit assuré que les raisons pour l'émission de passeports sont valables et urgentes, et sans que celui qui demande un passeport ait prouvé au département qu'il a les ressources nécessaires pour pourvoir à ses besoins dans le Royaume-Uni et pour revenir au Canada.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL  
EN CONSEIL.

**A**U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 février 1917, concernant une demande reçue du chemin de fer Canadian Northern Western pour un permis d'occupation d'une partie de la rivière Sturgeon requise pour l'emplacement d'un pont, et qui est décrite comme suit :

La partie du lit de la rivière Sturgeon située dans le quart sud-est de la section 23, township 56, rang 23, à l'ouest du 4e méridien, dans la province d'Alberta, ainsi que la dite section 23 est indiquée sur un plan du dit township approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le 13 mai 1901. Ce terrain peut être décrit plus minutieusement comme suit :

Borné au nord par la rive gauche et au sud par la rive droite de la rivière Sturgeon ; à l'est et à l'ouest par des lignes parallèles à la ligne du centre de la voie du chemin de fer Canadian Northern Western et éloignées perpendiculairement de 49.5 pieds de chaque côté de cette ligne de centre, ainsi qu'indiqué sur un plan d'arpentage du lit de la rivière et des terres adjacentes, lequel plan est signé par A. S. Weekes, arpenteur des terres fédérales, le 2 juin 1916, et déposé au Département de l'Intérieur sous le numéro 25035, et dont un duplicata est aussi déposé au bureau des titres de terre du district d'enregistrement d'Alberta-nord sous le numéro 3009 B. C. 96, le terrain ci-dessus contenant vingt-sept centièmes d'un acre plus ou moins.

Le ministre représente que l'emplacement et les plans des travaux, ainsi que soumis à la compagnie, ont été approuvés par le Département des Travaux publics conformément aux dispositions de la Loi de la protection des eaux navigables, chapitre 110 des statuts révisés de 1906, ainsi que modifiés par le chapitre 44, 9-10 Edouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent, le Ministre demande l'autorisation d'accorder à ladite compagnie de chemin de fer Canadian Northern Western un permis d'occupation de la partie décrite ci-dessus du lit de la rivière Sturgeon. Ce permis sera pour la période durant laquelle la compagnie aura besoin du terrain pour l'exploitation de son chemin de fer ; un loyer annuel d'un dollar (\$1) sera payé au Département de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

Greffier du Conseil privé.

Mercredi, le 28e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE DÉPUTÉ DU GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

**A**TTENDU que l'enrôlement pour le service d'outre-mer est cause que la main-d'œuvre requise pour les travaux de la ferme est devenu très rare par tout le Canada, ce qui, joint au fait qu'il y a moins de terrain assolé pour les semailles, entraînera une grande diminution des cultures, à moins qu'on avise aux moyens d'améliorer les conditions ; et

Attendu qu'il est généralement admis que nombre de jeunes gens au Canada et aux Etats-Unis seraient prêts à travailler sur les fermes si le temps qu'ils mettent à ces travaux était déduit des obligations de résidence sur les homesteads pour lesquels ils se sont inscrits, vu qu'il est reconnu qu'étant à l'emploi d'un fermier bien pourvu de tout ce qui est nécessaire à l'exploitation d'une ferme ces jeunes gens contribueraient beaucoup plus à augmenter la production qu'ils ne le feraient sur leur homesteads dépourvus de stock et de machines agricoles.

Vu ce qui précède, il plaît au suppléant du Gouverneur-général en conseil, sous l'empire et en vertu de l'autorité que lui confère l'article 6 de la "Loi de 1914 des mesures de guerre," de décréter ce qui suit et les décrets et règlements suivants sont par ces présentes décrétés en conséquence :—

Nonobstant toute disposition de la Loi des terres fédérales ou des modifications qui y seront faites au cours de l'année 1917, les homesteaders, ceux qui occupent des homesteads sous inscription de préemption ou qui les ont achetés et qui travailleront à la culture sur les fermes au Canada obtiendront une réduction de leurs obligations de résidence égale au temps ainsi employé à travailler sur les fermes du pays, sujet cependant aux conditions suivantes,—

1. La période d'emploi ainsi comptée comme obligations de résidence ne pourra commencer qu'à une date subséquente à celle de l'inscription dans chaque cas.

2. Ces dispositions ne s'appliquent pas au cas de ceux qui seront sur des homesteads en vertu de procurations de homesteaders, ni au cas où l'inscrit ne sera pas employé uniquement aux travaux de la ferme.

3. Dès qu'il commencera à travailler, il sera du devoir de l'inscrit de faire parvenir aussitôt que possible à l'agent des terres fédérales du district où se trouve le terrain qui fait le sujet de son inscription une déclaration sous serment à la satisfaction du Ministre de l'Intérieur, donnant une description détaillée du terrain, la nature des travaux accomplis, où ils ont été accomplis, la date du commencement de ces travaux et leur durée probable.

4. Dans les trente jours qui suivront la date de l'expiration du terme d'emploi, date qui ne pourra en aucun cas dépasser le 1er février 1918, l'inscrit remettra à l'agent local du district une déclaration assermentée, à la satisfaction du Ministre de l'Intérieur, donnant la somme totale du temps durant lequel il a été employé aux travaux de ferme.

5. Advenant l'annulation d'une inscription par défaut de la part de l'inscrit d'en remplir les conditions, aucune des dispositions du présent décret ne pourra être invoquée pour faire droit aux réclamations de l'inscrit qui, bien qu'occupé aux travaux de la ferme en Canada tel que mentionné plus haut, n'a pas avant la date de l'annulation de son inscription fait part à l'agent des terres fédérales du fait qu'il est ainsi employé.

6. L'inscription d'une personne qui se conforme aux dispositions des présentes ne sera pas passible d'annulation au cours du terme d'emploi de l'inscrit aux travaux de la ferme, parce que cet inscrit aurait négligé de remplir les obligations de culture en rapport avec son inscription.

7. Nonobstant toutes dispositions de la Loi des terres fédérales et des modifications qui y sont faites les obligations de culture nécessaires à l'obtention de la patente en ces cas peuvent être remplies en deux ans au lieu de trois.

8. Le Ministre de l'Intérieur peut refuser les privilèges accordés en vertu des présentes s'il a des doutes sur la véracité des faits tels qu'établis.

Greffier du Conseil privé.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- |  |          |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....      | 100 00   |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00   |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000.....                          | 100 00   |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00   |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00   |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00   |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000.....                      | 400 00   |
| (i) Pour chaque million ou fraction de million de dollars additionnel....  | 100 00   |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

## SENAT.

## Avis de bills privés.

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

PUBLISHED BY AUTHORITY.

OTTAWA, SATURDAY, MARCH 10, 1917

### GENERAL ORDERS

1917.

HEADQUARTERS,

OTTAWA, February 1st, 1917.

G. O. 14—1917.

#### MEDALS AND DECORATIONS

##### CANADIAN EXPEDITIONARY FORCE.

*Extract from THE FOURTH SUPPLEMENT TO THE LONDON GAZETTE of Tuesday, the 24th of October, 1916,  
Thursday, 26th October, 1916.*

WAR OFFICE, 26th October, 1916.

HIS Majesty the King has been graciously pleased to award the Victoria Cross to the undermentioned Men:—

#### VICTORIA CROSS.

Regi- mental No.	Rank.	Name and Corps.	Remarks.
73132....	Private (acting-corporal).	Clarke, Leo, Canadian Infantry...	For most conspicuous bravery. He was detailed with his section of bombers to clear the continuation of a newly-captured trench and cover the construction of a "block." After most of his party had become casualties, he was building a "block" when about twenty of the enemy with two officers counter-attacked. He boldly advanced against them, emptied his revolver into them and afterwards two enemy rifles which he picked up in the trench. One of the officers then attacked him with the bayonet, wounding him in the leg, but he shot him dead. The enemy then ran away, pursued by Acting Corporal Clarke, who shot four more and captured a fifth. Later, he was ordered to dressing-station, but returned next day to duty.
101465...	Private.....	Kerr, John Chipman, Canadian Infantry.	For most conspicuous bravery. During a bombing attack he was acting as bayonet man, and, knowing that bombs were running short, he ran along the parados under heavy fire until he was in close contact with the enemy, when he opened fire on them at point-blank range, and inflicted heavy loss. The enemy, thinking they were surrounded surrendered. Sixty-two prisoners were taken and two hundred and fifty yards of enemy trench captured. Before carrying out this very plucky act one of Private Kerr's fingers had been blown off by a bomb. Later, with two other men, he escorted back the prisoners under fire, and then returned to report himself for duty before having his wound dressed.

Extract from THE SECOND SUPPLEMENT TO THE LONDON GAZETTE of Friday, the 18th August, 1916, Saturday, 19th August, 1916.

WAR OFFICE, 19th August, 1916.

HIS Majesty the King has been graciously pleased to confer the Military Cross on the undermentioned Warrant Officers, in recognition of their gallantry and devotion to duty in the field:—

MILITARY CROSS.

Regimental No.	Rank.	Name and Corps.	Remarks.
1186....	Company Sergeant Major (Acting R. S. M.)	Anderson, John, Canadian Infantry	For conspicuous and consistent gallantry. He was severely wounded, but rejoined as soon as possible, and continued to do excellent work, and set a fine example. He has now lost his leg.
106128...	Sergeant Major (now temp. Lt.)	Casey, Charles Frederick, Canadian Mounted Rifles.	For conspicuous and consistent good work. By his coolness and devotion to duty during several bombardments he has set a fine example to all under him.
1.....	Battery Sergeant Major.	Gabbutt, Harry, Canadian Artillery.	For conspicuous gallantry when directing the ammunition supply to the guns, constantly under very heavy shell fire. He displayed great coolness and set a fine example.
63395....	Company Sergeant-Major.	Geary, George Edward, Canadian Infantry.	For conspicuous and consistent gallantry when in charge of battalion bombers and when leading patrols. On one occasion he took up a position 25 yards in front of our trenches in order the better to knock out the enemy, and succeeded in doing so although himself wounded.
67863....	Company Sergeant-Major.	Hinchcliffe, Frank W., Canadian Artillery.	For conspicuous and consistent gallantry and good work in the presence of the enemy. He has set a fine example.
37475....	Sergeant-Major....	Houghton, Charles James, Canadian Field Artillery, Divisional Ammunition Column.	For conspicuous and consistent good work in connection with the parks of the Canadian Forces.
20278....	Sergeant-Major....	Stuart, Duncan, Canadian Infantry.	For conspicuous and consistent gallantry, notably on one occasion when he went out under heavy fire to the assistance of a wiring party who were reported to be suffering heavily from the enemy's fire.

Extract from THE SUPPLEMENT TO THE LONDON GAZETTE of Friday the 20th October, 1916.

WAR OFFICE, 20th October, 1916.

HIS Majesty the King has been graciously pleased to approve of the award of the Distinguished Conduct Medal to the undermentioned Non-commissioned Officers for acts of gallantry and devotion to duty on the field.

DISTINGUISHED CONDUCT MEDAL.

Regimental No.	Rank.	Name and Corps.	Remarks.
458089...	Lance-Corporal...	Kelly, J. J., Canadian Infantry.	For conspicuous gallantry. Though wounded early in a heavy bombardment he stuck to his post. When the enemy attacked, his cool and fearless handling of his section was largely responsible for their repulse.
457971...	Sergeant.....	McDowell, C., Canadian Infantry.	For conspicuous gallantry. When two of the enemy penetrated his trench he immediately attacked them, and though wounded by one of them with a pistol shot, succeeded in bayonetting him, and then killed the two with a bomb.
76165....	Sergeant.....	McLeod, D., Canadian Engineers.	For conspicuous gallantry during a bombardment, when he rescued a wounded man from a crater under heavy machine-gun and shell fire. By his faithful work and devotion, Sergeant McLeod was to a great extent responsible for the recovery of a deep enemy gallery, which enabled a position to be successfully held.
73546....	Sergeant.....	O'Brien, D., Canadian Engineers.	For conspicuous gallantry during a bombardment, when he rescued a wounded man from a crater under heavy machine-gun and shell fire. By his faithful work and devotion, Sergeant O'Brien was to a great extent responsible for the recovery of a deep enemy gallery, which enabled a position to be successfully held.
477770...	Acting Lance Corporal.	Reynolds, C., Royal Canadian Regiment.	For conspicuous gallantry when leading a bombing party in a raid. After being wounded he continued to press forward, and threw his bombs with the greatest coolness and precision. He was the only man who reached the enemy parapet, where he fought alone with his revolver and bombs. He was again hit, and extricated himself with difficulty.
44039....	Sergeant.....	Stackhouse, J. C., Canadian Artillery.	For conspicuous gallantry. When a shell had just been rammed home, he heard a noise, and realized that the fuse had become ignited. He instantly stopped the cartridge being put in, ordered the gun crew under cover depressed the gun as quickly as possible, and the explosion took place harmlessly. His promptness and pluck probably saved many casualties.

TROUPES EXPÉDITIONNAIRES CANADIENNES.

Extrait du quatrième supplément de la LONDON GAZETTE du 26 octobre 1916.

WAR OFFICE, 26 octobre 1916.

Il a gracieusement plu à Sa Majesté le Roi de conférer la Croix de Victoria aux hommes ci-dessous mentionnés:—

### CROIX DE VICTORIA.

N° rég.	Grade.	Nom et corps.	Remarques.
73132....	Soldat (caporal suppléant.)	Clarke, Leo, infanterie canadienne.	Pour avoir fait preuve de la plus grande bravoure. Il fut désigné avec une section de lanceurs de bombes pour nettoyer la continuation d'une tranchée nouvellement capturée et couvrir la construction d'un "bloc." Après que la plupart de ses compagnons eurent été tués ou blessés et pendant qu'il construisait un "bloc," environ vingt ennemis avec deux officiers firent une contre-attaque. Il s'avança hardiment dans leur direction, vida son revolver en tirant sur eux ainsi que deux fusils de l'ennemi qu'il avait ramassés dans la tranchée. L'un des officiers l'attaqua à la baïonnette le blessant à la jambe, mais il le tua raide. L'ennemi se sauva ensuite, poursuivi par le caporal suppléant Clarke, qui tira sur quatre autres et en fit un cinquième prisonnier. Plus tard il fut envoyé à la station de pansement mais il retourna prendre son service le lendemain.
101465)..	Soldat.....	Kerr, John Chipman, infanterie canadienne.....	Pour avoir fait preuve de la plus grande bravoure. Durant une attaque avec des bombes, il agissait comme sentinelle, et, sachant que la provision de bombes s'épuisait, il courut le long du parapet, sous un feu violent, jusqu'à ce qu'il fut très près de l'ennemi; il tira alors à bout portant sur l'ennemi et lui infligea une lourde perte. L'ennemi croyant être enveloppé se rendit. Soixante-deux prisonniers furent faits et 250 verges de tranchée ennemie furent capturées. Le soldat Kerr avait eu un doigt enlevé par une bombe avant d'accomplir cet acte audacieux. Plus tard, avec deux hommes, il conduisit ses prisonniers à l'arrière, sous le feu et retourna à sa compagnie avant de faire panser sa blessure.

Il a gracieusement plu à Sa Majesté le Roi d'approuver que la Médaille pour Conduite Distinguée soit décernée aux sous-officiers ci-dessous mentionnés pour des actes de bravoure et de dévouement en campagne:—

MÉDAILLE POUR CONDUITE DISTINGUÉE.

N <sup>o</sup> rég.	Grade.	Nom et corps.	Remarques.
458089...	Sous-caporal.....	Kelly, J. J., infanterie canadienne.	Pour bravoure remarquable. Bien que blessé au début d'un fort bombardement, il resta à son poste. Quand l'ennemi attaqua, il fit manœuvrer sa section avec un sang-froid et un mépris du danger qui contribuèrent beaucoup à son échec.
457971...	Sergent.....	McDowell, C., infanterie canadienne	Pour bravoure remarquable. Quand deux ennemis entrè- rent dans sa tranchée il les attaqua immédiatement, et, bien que blessé d'un coup de pistolet par l'un d'eux, il réussit à le baïonnetter et à tuer les deux avec une bombe.
75465...	Sergent.....	McLeod, D., génie canadien.....	Pour bravoure remarquable pendant un bombardement, alors que sous un feu violent de mitrailleuses et d'obusiers, il retira d'un cratère un homme blessé. Par son travail conscientieux et son dévouement, le sergent McLeod fut en grande partie responsable de la reprise d'une profonde galerie ennemie, ce qui permit de tenir avec succès une position.
73546...	Sergent.....	O'Brien, D., génie canadien.....	Pour bravoure remarquable pendant un bombardement, alors que sous un violent feu de mitrailleuses et d'obu- siers, il retira d'un cratère un homme blessé. Par son travail conscientieux et son dévouement, le sergent O'Brien fut en grande partie responsable de la reprise d'une profonde galerie ennemie, ce qui permit de tenir avec succès une position.
477770...	Sous-caporal sup- pléant.	Reynolds, C., régiment royal cana- dien.	Pour bravoure remarquable en conduisant à l'attaque une escouade de bombardiers. Après avoir été blessé, il continua à marcher de l'avant en lançant ses bombes avec grand sang-froid et précision. Il fut le seul homme qui arriva au parapet ennemi où il combattit seul à coups de bombes et de revolver. Il fut de nouveau blessé et ne revint qu'avec beaucoup de difficulté.
44039...	Sergent.....	Stackhouse, J. C., artillerie cana- dienne.	Pour bravoure remarquable. Un obus avait été mis dans la pièce, lorsqu'il entendit un bruit lui indiquant que la fusée commençait à prendre feu. Il arrêta immé- diatement la cartouche qu'on allait placer, ordonna aux servants de se mettre à couvert, desserra la pièce aussi promptement que possible, ce qui fit que l'explosion eut lieu sans causer de dégâts. Sa promptitude et son audace sauvèrent probablement plusieurs vies.

## ORDERS IN COUNCIL.

[493]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

The Committee of the Privy Council have had before them a report, dated 15th February, 1917, from the Minister of the Interior, stating that Mr. Samuel McCall was granted homestead and pre-emption entries for the East half of Section 21, Township 31, Range 1, west of the 3rd Meridian, on the 1st May, 1915 ;

The Minister further states that information has been received from which it appears that Mr. McCall tried to enlist for active military service overseas and that the recruiting officer told him he would be accepted, but that before the necessary papers were made out he met with an accident which necessitated the amputation of his left arm,—

The Minister submits the annexed copy of a medical certificate and recommends, in view of the foregoing, that further residence on the part of Mr. McCall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. McCall, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled and the required payments have been completed.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th February, 1917, from the Minister of the Interior, referring to an application received from the Canadian Northern Railway for a licence of occupation of that portion of the Sturgeon river, which is required for a bridge site, and which is described as follows :—

That certain parcel or tract of land, being a part of the bed of the Sturgeon river, situate in the south-east quarter of section twenty-three, in the fifty-sixth township, in the twenty-third range, west of the fourth meridian, in the Province of Alberta, as the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands, on the 13th day of May, 1901, which said parcel may be more particularly described as follows :—

Bounded on the north by the left bank and on the south by the right bank of the Sturgeon river ; and on the east and west by lines parallel to and forty-nine feet and five tenths of a foot perpendicularly distant on opposite sides of the centre line of the right of way of the Canadian Northern Western railway as the said centre line is shown upon a plan of survey across said bed and lands adjoining the same, which said plan is signed by A. S. Weekes, Dominion Land Surveyor, on the second day of June, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number 25035 a duplicate whereof is on record in the Land Titles office for the North Alberta Land Registration District under number 3009 B. C. 96, the parcel herein described containing by admeasurement twenty-seven-hundredths of an acre, more or less.

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of the Navigation Waters Protection Act, chapter 110, R.S. 1906, as amended by chapter 44, 9-10 Edward VII, and that blue prints of these plans have been filed in the Department of the Interior;

The Minister, therefore, recommends that he be authorized to issue in favour of the said Canadian Northern Western Railway Company, a license of occupation for that portion of the bed of the Sturgeon river which is described above, the said license to be for such time as the company may require the same in connection with the operation of the railway, and for which annual rental of one dollar (\$1) shall be paid to the Department of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 12th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th January, 1917, from the Minister of the Interior, submitting that it is provided inter alia by section 22 of the regulations for the survey, administration, disposal and management of Dominion lands within the forty mile belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for letters patent for his homestead, the east half of the northwest quarter of Section 2, Township 4, Range 5, west 7th Meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the Naturalization Act, or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with The Naturalization Act, and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway belt of British Columbia on active service for Great Britain or her Allies, who by reason of such service and the difficulty of technically complying with the provisions of the Naturalization Act are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of February, 1917.

PRESENT :

THE DEPUTY GOVERNOR GENERAL IN  
COUNCIL.

WHEREAS owing to enlistment for overseas service there is now throughout Canada a great scarcity of farm labourers which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard; and

Wherefore it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery;

Therefore the Deputy Governor General in Council, in view of the foregoing, is pleased, under and by virtue of the authority conferred upon him by section 6 of The War Measures Act, 1914, to make the following Order and Regulations and the same are hereby made and enacted, accordingly:—

Notwithstanding anything contained in The Dominion Lands Act or the amendments thereto, during the remainder of the year 1917 the holders of homestead, pre-emption or purchased homestead entries who are employed as farm labourers within the Dominion of Canada allowed the period of such employment as a like per residence in connection with their respective entries, subject to the following conditions,—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the District in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.
